Notice

Due to some idle remark having been misconstrued or to some remark purposely made with malicious intent, the rumor has been current for the past two weeks that the firm of Ackley, Miller & Martin, who operate jointly the Tillamook and Sunset garages, have been forced into the hands of a receiver and have made a very serious financial failure.

To any one concerned we will be very glad to submit our records proving every statement hereinafter made.

In order that our friends may know the untruth of this groundless rumor we are publishing the following brief sworn statement:

State of Oregon,
County of Tillamook, } ss.

We the undersigned, being first duly sworn, say that our business has never been on as firm a financial footing as it is at the present. Thanks to our many friends, our business is showing a very remarkable increase in every department with the single exception of car sales. Contrary to the general idea that automobiles are not selling, we have in the past year sold and delivered 95 new automobiles.

Signed: R. B. MILLER,
G. A. MARTIN,
M. D. ACKLEY.

Subscribed and sworn to before me this 17th day of August 1921.

C. W. BARRICK,
Notary Public for Oregon.
