EXPLANATION

Albany, Ore., Sept. 14, 1921

Tillamook Headlight:

To My Friends of Tillamook: As you will learn that Henry Nelson, my husband, is sewing me for a divorce I want you to know I am not at fault as you know we were living at Tillamook as happy as could be and he said he had the asthma there. He decided to come to Albany and buy a home and move here which he did and I did not even know where it was until he moved me out here and he was to work there for a while and he came out here from time to time. He was here last 4th of July and planned how he was to fix our home. He sent me a small allowance to live on each month. I got a letter from him the 10th of August the same as usual and the following week I got a letter from his lawyer saying he was going to sue for a divorce. He had no grounds so he made some which were all

that is what he has done, bit me when my back was turned. That is the kind of man Henry Nelson is. Signed by Mrs. Henry Nelson, Albany, Ore.

In every field there is a leader /

The uniform high quality of Red Crown gasoline, and the unfailing satisfaction long experienced through its use, have made "Red Crown" the favorite motor fuel, relied upon by the majority of motorists.

With the leadership of "Red Crown" has grown a system of service. At Standard Oil Service Stations you are assured of quick, courteous and efficient service.

Garages, and other dealers, too, sell Red Crown gasoline.

Look for the Red Crown sign before you fill, — the sign that signals "Power and Mileage."

Carburetor Automatic Heat Control
—An Exclusive Buick Feature

The new carburetor automatic heat control, exclusive standard equipment on 1922 Buick models—both fours and sixes—makes the motor run as smoothly in cold as in summer weather. Just as gasoline is automatically supplied the carburetor by use of the throttle or accelerator, so is heat supplied and cut off from the carburetor. Only on a Buick will you find this feature.
