

JOHN GOTTFRIED WEBER

John Gottfried Weber was born in Berne, Switzerland, March 12, 1877 and died in Tillamook, Ore., Oct. 12, 1921 aged 44 years and 7 months.

The deceased came to America about 27 years ago, making his home during his residence here in Humboldt, Calif.

After about 5 years residence in America, he visited his old home in Switzerland, when after a few months stay, he returned to the United States. During the next few years he visited his native country again, returning to America.

He then came to Tillamook county, where he has followed farming for the past 17 years. For the past 12 years he has resided in Riverdale, four miles north of Tillamook.

Deceased was a man of rugged strength, and had only been sick a short time when he was stricken with appendicitis, and died on October 12th, as above stated.

Deceased is survived by his wife and one sister, the latter a resident of Lenox, Mass., one brother in St. Paul, Minn., and two brothers who are still residents of Switzerland.

He was confirmed and brought up in the German Reformed church, and was a good citizen of the land of his adoption; was honest and upright in his dealings, and will be sorely missed by his wife and brothers and sisters, as well as by his neighbors and friends.

Funeral services were held at the Methodist church at one o'clock p. m. Friday, the pastor, Rev. C. L. Dark officiating. Interment was in the Odd Fellows cemetery near this place. C. L. D.

BUYS FINE REGISTERED BULL

Ernest Leonnig, who about a year ago bought the West place on Trask river, recently purchased of L. C. Daniels, the 8 month old Jersey bull Dewbell's Rosaire Lad, No. 196,074 a full brother of the first prize junior yearling heifer at the county fair this year, and a three quarter brother of St. Mawes Pretty Lady, the latter being on official test now, and leading the senior 2-year-old class in the United States. This young bull, is true to type, and has a fine line of production behind him. He

traces twice to the gold medal bulls, St. Mawes and Rosaire's Olga Lad.

Mr. Leonnig also has some fine cows and heifers which he bought at the Albert Johnson sale last spring. With his new bull, he should soon have a herd to be proud of on his farm.

E. E. Koch who was called to Portland last Friday by the illness of his father, returned Monday, with the news that his parent was much better.

For snappy styles in hats and caps go to C. S. Barnes.—Adv.

Boyd Mendenhall was called to Sheridan this week by the illness of his father, Reece Mendenhall, who suffered a stroke of paralysis. Mr. Mendenhall was one of the pioneer merchants of the Sheridan section for many years and was prominent in the affairs of the town. He was so much improved that his son has returned to Tillamook.

Mr. and Mrs. Robert Myers of Portland are in the city guests of Mr. and Mrs. E. G. Lance. The Myers formerly were residents of this city.

Do you like to save money on your fall suit and overcoat? If so, come in and let us show you a complete line of foreign and domestic woolens at reasonable prices. C. S. Barnes

LUMBER COMPANY

It's real economy to use Pearl Oil in your oil heater

There is no wasted heat when your heater is filled with clean-burning Pearl Oil. At the touch of a match this high-quality kerosene makes the heater deliver comfortable warmth at little cost. And it's most convenient to use — no ashes to bother with — no coaxing to make it burn.

Pearl Oil is refined and re-refined by the special process developed by the experience and resources of the Standard Oil Company.

You can get it in bulk from dealers everywhere. Order by name — Pearl Oil. STANDARD OIL COMPANY (California)

KEROSENE
HEAT AND LIGHT

It takes more than a theory to develop Correct Lubrication

No advantage of science, of vast resources, of long experience, of up-to-the-minute equipment and methods, is overlooked by this company in making Zerolene a lubricating oil of the highest quality.

If it were possible to make a better oil than Zerolene, this company would make it.

It is made in five consistencies, one of which is exactly suited to the needs of your car.

Use Zerolene for Correct Lubrication.

The Mystery of the Cook's Pet Parrot

A FUNNY paper recently.
SLIPPED ME a good laugh.
WITH A wheeze about.
A FAMOUS ventriloquist.
AND WHY he had quit.
THE VAUDEVILLE stage.
IT SAID he discovered.
HE COULD make more jack.
SELLING WOODEN parrots.
SO WHEN I got home.
I PASSED the joke.
TO OUR cook, who owns.
BOTH A speechless parrot.
AND A sense of humor.
BUT SHE muffed it.
BECAUSE SHE didn't know.
WHAT A ventriloquist was,
SO I had to explain it.
AND ON the way out.
I BLEW just a whiff.
OF CIGARETTE smoke.
AT HER amusing old.
FOOL OF a parrot.
WHICH NEVER talks.
AND I said, "Poll.
HOW D'YOU like it?"
AND TO this day.
IT'S GOT me guessing.
WHETHER IT was cook.
OR THE blamed bird.
WHICH SQUAWKED back.
"THEY SATISFY."

CHESTERFIELDS speak for themselves. They let you know you're smoking. They "satisfy" and yet, they're mild. An impossible combination, you say? Sure—everywhere but in Chesterfields. The blend does it, and the blend can't be copied!
