Resolution of Condolence
 Whereas the Supreme Ruler of the Universe in His infinite wisdom and mercy, has seen fit to receive from this world of pain and sorrow to that happy home beyond, the wife of our beloved Brother H. H. Hanenkraut and that in her departure we are again reminded that our lives are fleeting and transitory, and are called to pause a moment in the busy whirl of life to bow our heads in humble submission to the will of Him who rules the destinies of all, and

Whereas, in the death of Gertrude Hanenkraut, we recognize that "one touch of sorrow makes the world akin" and in this, his great affliction we extend to our beloved Brother our heartfelt sympathy, assure him of our desire to help him bear his burden of sorrow, and

Whereas, her loyalty to her husband and friends, and her fidelity to the responsibility of life has gained for her the sincere admiration of those who were fortunate to make her acquaintance,

Resolved Further, that a copy of these resolutions be sent to the bereaved husband, and one to the news papers of Tillamook City for publication, and one spread upon the minutes of this lodge. Respectfully submitted in F. L. & T.
 Emil Heusser, C. W. Waggy, F. F. Conover, Committee.

Growing Tillamook Institution
 One of the growing Tillamook institutions is the Shearer-Merrick hospital, located at 215 east Eighth street. The hospital is owned by Mrs. Frank Merrick, and contains 10 beds for patients which are occupied most of the time. In addition there are living rooms. The hospital is specially arranged for the convenience and comfort of patients, and is well equipped throughout. The surgery and the rooms for the patients are all on the ground

floor, and are kept in a scrupulously clean and sanitary condition at all times. The first thought of the management is for the comfort of the patients. Competent nurses are always in attendance.
 Dr. J. E. Shearer the surgeon, has the distinction of being the only doctor in Tillamook county to close his office to serve his country during the late world war.—Adv.

DE FORD'S JAZZ SOAP

A Tillamook Man's Formula Proves to be the Premier Cleanser
 For months, C. F. DeFord of this city worked on a chemical formula to produce a soap that would remove grease, dirt, pitch, iodine, ink stains etc., and at the same time lighten the work of the housewife on "Blue Monday."

After repeated experiments, his persistence triumphed, and a few months ago, he placed "DeFord's Jazz Soap" on the market. He first demonstrated it at the county fair, where it was favorably received by the public. Since that time he has sold \$90 cans of the product in Tillamook and vicinity. It is now looked upon as an indispensable adjunct of the kitchen and shop where it has been tried.

It has all the other cleansers distanced! It's magic is something that causes people to wonder how he ever did it! Behold a grease-stained cloth! A slight treatment, and the cloth becomes clean and as white as snow! Can you beat it? That's what Jazz Soap does! Try a stain in a silk dress. Presto change—Jazz—and the stain is removed! And watch that smile on the housewife's face when she sees her snowy white clothes on the line, after they have been soused in "Jazz" suds.
 No lye or harmful ingredients. Try it on your car. It's a wonder. Order it from your grocer, or call at the Allen House and get a big can of the Jazz Soap for 50c.
 Mr. DeFord is now arranging for a factory and store room where he can supply the rapidly increasing demand for his splendid product.
 Jazz Soap. Buy it. Try it. And you'll use it.—Adv.

While working in the Yellow Fir mill one day this week, Louis Fleck was struck in the face by a flying knot from the saw, which severely lacerated his mouth and nose. He was brought to the Beals hospital for treatment.

Card of Thanks

We wish to thank the Tillamook County Bank for the prizes we received.—Mildred Glad, Blanche E. Glad.

TWO MONTHS MORE
 Two months, and 1921 will be a thing of the past. How about your bank account—is it a thing of the past, too? Summer vacations are hard on savings, and many of us have found it necessary to draw on our deposits recently. But now, with new energy, let's make those "Nationalized" accounts climb to the point where they'll mean enough capital for big investments.
