J. F. Bradley, of the Hotel Wheeler was in the city Wednesday last. Mr. Bradley stated that it is currently believed up there that the Wheeler Lumber company will resume operation of their big sawmill about the first of the coming year. The mill has a daily cutting capacity of 260,000 feet.

Mrs. Mary Wilson of this city returned from Portland Sunday, where she went on business connected with the local telephone line.

John M. Scott, general passenger agent for the Southern Pacific Co., in a letter addressed to the Chamber of Commerce, says that a material

reduction in the running time of the passenger trains on the Tillamook-Portland branch line, will go into effect next spring, and that the railroad company has under advisement the matter of lowering passenger fares and freight rates. It seems to be the general impression that the running time of the passenger trains will be cut down two to three hours cutting out a number of the stops now made at small places.

Frank A. Rowe, president of the suspended Wheeler bank, was in the city Wednesday. A resident of that town stated yesterday that efforts were being made to re-organize the bank, and open up for business in the near future.

Frank and Fred Jenkins, and Flora Bush and son, Floyd, of Carlton, returned home Tuesday, after a two days visit with E. V. Shoogras of this city. The visitors are related to the latter.

All school warrants of district No 31, indorsed prior to April 22, 1921 will be paid upon presentation to Lucy E. Doughty, Clerk. Dated Nov 17, 1921.

Manager Arthur Vosburg of the Wheeler Lumber Company, at Wheeler, was in the city Wednesday on business.

Mrs. Howard Edmunds, who spent several days recently in Portland, returned home last Sunday by stage.

Mrs. R. K. Sargeant, of Miami, Florida, is visiting in Tillamook at the home of her niece, Miss Grace Crandall, of Plasker Court. Mrs. Sargeant is making an extensive tour of the coast cities and will visit here indefinitely.

R. H. Cady and wife, Bert Ross and M. F. McLeod were Wheeler people who attended the Armistice day game at Corvallis.

Mrs. Fred Sherringer Jr., of Newkown, is quite ill at a local hospital

Prospective Mothers

Proper care of mother when Baby comes is vital to her future health and baby's as well. Each has the right to the very best attention and scientific skill, something that is impossible at home.

But here, at this wonderfully equipped, modern fire-proof maternity home, every care is extended to mother. Graduate nurses, who know and love babies and are specially trained for maternity work, are in constant attendance here day and night. The nurses in charge are graduates from Chicago Lying In Hospital, conducted by Dr. Joseph B. De Lee, America's greatest authority on obstetrics.

Come a week or so before Baby is expected and board at the hospital. The cost is much less than if you remained home under a nurse's care—and worries are eliminated.

All information and pictures of the hospital will be mailed in a plain envelope on request.

FATE CHOOSES YOUR

VICTIMS

If a motorist were able to choose the person he was going to hit with his car, a Travelers Automobile Policy might not be so necessary. But as he is quite likely to hit an Actress who will demand \$50,000 for a broken Ankle, or a Lawyer who knows all the intricacies of the liability laws, liability insurance with high limits is positively necessary.
