LOCAL SPORTS

WITH THE HOOP TOSSERS

Tillamook-Blaine
Friday, Feb. 3rd, Tillamook High played Blaine on the local gym floor, defeating the visitors by a score of seventy-seven to eleven. The Blaine team did not seem to be up to snuff. They certainly didn't play the game as they usually do.

Hallett, running-guard, did some exceptionally clever floor work, and got away for a couple of baskets. Attenburger, guard, also did good work but could not hold the Shingles-White combination. He never lost his smile tho; even when his team was losing he continued his joking with the Tillamook forwards.

Tillamook got the tip off from center, a decided advantage, and made possible the execution of good team work that netted baskets. Shingles played his usual game, and with White, formed a combination that the opponents could not break. Mathews also did good work. He did some clever passing and good shooting. Jim Tone was in the game and seemed to put some of the old spirit into the team.

Tillamook-Newberg

Newberg went down in defeat Monday night, when the Tillamook High took the game 49 to 16. This victory regains some of the lost prestige for the local boys. Now, boys, you still have a chance to go to the state conference. Keep up the good work. But don't overlook the fact that you still have some scrapping-wild-cats to play.

The game was a fast one from start to finish, and was featured by brilliant playing on both sides. Tillamook's guarding was especially good. Time and again, Newberg was forced to shoot from the center of the floor. Their long range target work was very effective, however, and a goodly number of scores were tallied.

Newberg's passing was also good. The visitors made several nice plays down the side lines, tho all of them did not net baskets. The work of the Newberg forwards was as good as the home team's.

Mathews and the two Tillamook guards managed to get possession of the ball whenever it was carried into their territory. And Shingles and White were always on the job ready to work the ball down the floor for a shot at the Newberg basket.

The attendance was the largest of the season. It is estimated that 200 spectators witnessed the game.

Tillamook-Cloverdale

The Tillamook K. P.'s and the Cloverdale High School played the cleanest game of basketball last Friday night, that has been played this year. There were only four fouls during the entire game; four on Cloverdale and three on Tillamook. At the end of the first half the score stood 9 to 4, in favor of the K. P.'s. Cloverdale rallied in the second half and finished the game with a score of 22 to 15. It was a good game all the way thru. McGinnis was referee.

Cloverdale so far has played 8 games and won 7. The size of the hall and the low ceiling bothered the visitors, the floor space being only 30 x 60 feet.
