

STATEMENT BY FINANCE COMMITTEE

The Finance Committee of the Common Council of Tillamook City desire at this time to present to the voters of Tillamook City a plain statement of facts concerning the present financial condition of the City, and the necessity for calling a special city election March 13, to vote a \$50,000 bond issue.

The present outstanding warrant indebtedness of the city at this time amounts to approximately \$50,000. These warrants bear interest at the rate of 6 percent per annum. Of this amount about \$25,000 was issued for street improvements, and this amount with interest will eventually be repaid to the city, as the result of sale of property taken over by the City. This \$25,000 was simply forced upon the city. The property owners in different parts of the city petitioned the Council for street improvements, which were granted by the Council and improvements made, but when it came time to pay for these improvements many failed to do so, or even to bond, with the result that the burden fell upon the city, and we were obliged to issue warrants to cover the amount. The remaining \$25,000 in unredeemed warrants, is a priceless heritage handed down by each succeeding Council for many years caused principally by the failure of the Council to provide a budget sufficient to cover the running expenses of the City. In the preparation of a budget it is difficult to meet all the conditions which arise, there are so many small items of expenses that are often overlooked, and even those included in budget, are often underestimated, owing to increase in price, especially was this true during the past few years, with the large increase in salaries and all supplies purchased. We also find that the unpaid special city tax for the past three years, amounts to \$3,291.31 or about \$1000 deficit in tax money each year.

It is the policy of the present Council to keep expenses within the budget estimate, and up to the present time this has been done and is seems likely that it will be possible to keep well under the budget estimate during the present year. Practically all of the \$50,000 in warrants have been cashed by the local banks and are held by them. This imposes a considerable burden on the banks, and they cannot be expected to continue to pay city warrants unless some measures are taken by the city to redeem them. The special election March 13, is for the purpose of authorizing the issuance of \$50,000 of bonds bearing 6 percent interest, the proceeds to be used to redeem the \$50,000 in warrants, bearing the same rate of interest. This will add nothing to the tax burden which is already too great, but it will place the city on a cash basis, it will enable the banks to continue to cash city warrants, and incidentally it will release \$50,000 in cash in Tillamook which would be no small part of the benefit at this time. We look upon this as a cold blooded business proposition and as such we have endeavored to present a plain statement of facts for your consideration. We are not attempting to add to the present indebtedness of the city, but we are endeavoring to find a way whereby the present unsatisfactory way of doing business will be relieved, by transferring outstanding 6 percent interest bearing warrants, into 6 percent interest bearing bonds, due in ten, fifteen

Resolution of Condolence

Whereas the Supreme Ruler of the Universe in His definite wisdom and mercy, has seen fit to receive from this world of pain and sorrow to that happy home beyond, the brother of our beloved Brother, Morris Schnal, and that in his departure we are again reminded that our lives are fleeting and transitory, and are called to pause a moment in the busy whirl of life to bow our heads in humble submission to the will of Him who rules the destinies of all, and

Whereas, in the death of the beloved kin of Brother Schnal, we recognize that "One touch of sorrow makes the world akin," and in this, his great affliction, we extend to our beloved Brother our heartfelt sympathy, assure him of our desire to help him bear his burden of sorrow, and

Whereas, his loyalty to his brother and friends, and his fidelity to the responsibility of life has gained for him the sincere admiration of those who were fortunate to make his acquaintance,

Resolved further that a copy of these resolutions be sent to the bereaved brother and one of the newspapers of Tillamook City for publication, and one spread upon the minutes of this Lodge.

Respectfully submitted in F. L. & T. C. W. Wagy, Dolph Tinnerstet, Frank H. Matthews, Committee.
