Job Played

Some thing out of the ordinary was given at the Presbyterian church last Sunday evening, when the book of Job was acted out by four characters. Job and his three friends who were his comforters. Glen Anderson did exceptionally well in acting out the part of Job. Not only his spoken part, but his gestures of contempt for his friends were finely done. J. W. Heyd gave the character of Zopher; Newton Anderson that of Bildad and Rev. McRea that of Eliphaz. All these parts were well rendered and much appreciated by the audience. Those who heard this drama given said that it was interesting and instructive and was a realistic sermon.

Johnson-Carlile

At the Methodist parsonage at Tillamook on Tuesday afternoon, March 14th, occurred the marriage of William B. Johnson to Miss Geraldine Carlile, C. L. Dark, pastor of the Methodist church officiating.

The groom is a world's war veteran, the son of Charles Johnson a rancher of Gaston, Ore., and since the war he has been engaged in the ranching business near Heppner, Ore. The bride is the daughter of Mr. and Mrs. J. B. Carlile of this city where she has lived for the past four years and attended school.

NON-HEADACHE DU PONT NON-FREEZING
PACIFIC STUMPING POWDER
2 more-
land cleared per dollar

FOR the cost of the dynamite which cleared one acre of your stump land in 1921, you can now buy enough to clear an acre and a half.

"Pacific Stumping," the new Du Pont dynamite, makes this possible. It will do the work of any standard stumping powder, stick for stick. But you get 1/2 more sticks of Pacific Stumping per dollar.

"Pacific Stumping" is packed in boxes of 130 sticks; standard stumping powders come in boxes of 85 sticks. Pacific Stumping costs only 50 cents more per box. This makes it actually 2 1/2 cents (30%) less per stick than any other stumping powder.

Pacific Stumping is non-freezing even in below-zero weather; and you won't get a headache from using it.

Come in the next time you are near our store and let us estimate the cost of your blasting work. We can show you the way to cut your dynamite costs nearly one-half.
