SCHOOL OPERETTA FRIDAY EVENING TO SECURE PIANO

The Operetta "Twilight Alley," under the direction of Miss Mildred Hanselmann with Miss Georgie Barry as pianist, will be presented by the Tillamook grade school April 21 at the high school gymnasium. One hundred twenty-five children will participate in the presentation.

Elaborate costumes and artistic stage settings will help to depict the operetta.

The net proceeds will be used toward the piano fund.

The plot of the operetta is as follows: Dame Needy with her large family in "The Old Shoe" a tenement in "Twilight Alley." Mig is the oldest of eight daughters, and Jack, the only son, is captain of a baseball nine of boys of his own age. Angelina is an immigrant child who is left all day at "The Old Shoe" while her mother works in a factory. Lilly is the daughter of a well-to-do property owner, the landlord of "The Old Shoe."

One afternoon Lilly loses her way in the city streets and wanders into a tenement court where the sunshine rarely penetrates because of the smoke. She pities these "twilight dwellers" and invites them to steal away with her for a revel on the distant hills where they see the fairies and brownies frolic on the green.

Taste is a matter of tobacco quality.

We state it as our honest belief that the tobaccos used in Chesterfield are of finer quality (and hence of better taste) than in any other cigarette at the price.
