

Tillamook Headlight

Vol. XXXIII. No. 32.

Tillamook, Oregon, May 10, 1922

Price \$2.00 a year

ROOSEVELT HIGHWAY ASSURED

WORK TO START SOON ON ROAD OF IMPORTANCE

HARD FIGHT FOR COAST HIGHWAY NOW ENDED WITH VICTORY—13 MILES IN SOUTH END FINISHED THIS YEAR.

Down at Newport, Lincoln county, a few days ago, a lawyer named B. F. Jones, a few years ago conceived the idea of the Roosevelt highway, and began to agitate it. People laughed at it "Jones' folly", and agreed that it would never be—just one of "Jones' dreams". But the plucky little lawyer enticed others, and at the last session of the legislature the State of Oregon appropriated \$2,500,000 to match a like amount to be provided by the government for the building of the highway. To make a long story short, the government saw the strategic importance of the road in case of war, and congress came through with a 50-50 proposition. Now comes the sequel.

On Monday last Herbert Nunn, highway engineer and J. N. Clark, division engineer, met with the county court at the court house in this city and invited the city news reporters to attend, when Mr. Nunn gave out the best news that Tillamook county ever heard along the line of county and coast improvement. He began by the statement that the Roosevelt highway through Lincoln county was all provided for, and that thirteen miles between Hebo and Neskowin would be graded and hard surfaced this year at a cost of \$120,000, \$90,000 of which would be paid by the state and the balance by the county. Another link was that from Neskowin to the Lincoln county line, a distance of seven and one-half miles, which will be let by the state commission on the 31st of the present month. It was stated that the distance of thirty miles between Hebo and Devils Lake, Lincoln county, had been agreed upon at a cost of \$640,000, to be completed in two years. The strip from Neskowin to the county line will be completed by the government, and without county aid. The county will be released from all maintenance on this road.

Another important announcement by the state engineer was that the route via Garibaldi and Brighton to Wheeler had been designated as a part of the Roosevelt highway and that the state would go in with the county on a 50-50 basis to build same. This disposes of the Miami route as a highway under the Roosevelt highway system.

"The state," said Mr. Nunn, "stood ready to hard surface the road as fast as the county could grade it, and now practically provides for the Roosevelt highway system from the Clatsop county line to the city of Tillamook."

The state will also complete hard surface on the Sourgrass road, out near Dolph, this year which will close its work on the highway between Tillamook and the Yamhill county line.

Engineer Nunn stated that the details which formed the basis for his announcement, were worked out at Portland last week, when the Tillamook court sat with the state highway board in session; and he further stated that the recommendations of the Tillamook court were

(continued on page 4)

COUNCIL PLANS TO SAVE EXPENSE

Last Monday night the city council occupied most of the time of the session in considering the report of the committee on streets, with reference to the building of additional concrete walks. It was decided later to notify prospective builders some time in advance of the time set for the completion of the work, and when the council fully decides just who will be affected by the new extensions. The idea is to give builders a chance to save the expense of advertising and other added costs, by building their own walks and arranging with contractors direct, without the city creating a sidewalk district in the sections where improvement is indicated by the street committee. Notices will therefore be sent to property owners to be affected, and it is believed that a handsome percentage can be saved by property owners who may decide to build their own walks. The matter will be settled definitely at the next meeting as to the places where concrete walks are to go in.

Some routine business was transacted, and the council adjourned.

FINDS BONE HARPOON HEAD ON SECTION OF BAY BEACH

While working on the government dredge down near Rudder Rock on the bay last week, Roy Trout unearthed an old Indian bone harpoon head three inches long which apparently was many moons old. It doubtless was attached to a shaft and used to spear salmon in the days when the Indians were short of iron and other white man's material for the purpose.

TILLAMOOK MAN MARRIES

Chas Moore, the well known jitney man of this city was married in Portland on May 1st last, to Miss Cecelia Bennett of Portland. They will make Tillamook their future home.

FORMER TILLAMOOK WOMAN DIES AT MONTESANO

Mrs. Worthy Alfred Valentine, daughter of Mr. and Mrs. C. A. Stevenson of Montesano, Wash., died at the latter place Wednesday, May 3. Deceased was born and reared in this county, and had many friends and relatives who will mourn her demise.

LEGION AND AUXILIARY HOLD SOCIAL SESSION

The American Legion and the Auxiliary held a social Friday night at the W. O. W. hall followed by a banquet.

Several members made brief talks and Dr. J. E. Shearer spoke in favor of the Salvation Army drive. He covered two phases of the Army's activities, their service in every day life in rescuing unfortunate men and women from the gutter, and their splendid work during the war. He urged the people to show their appreciation and gratitude during the drive, which occurs here on the 17, 19 and 20th of this month.

Music was furnished by the Wilkins orchestra and dancing followed the banquet.

The American Legion and Auxiliary, the G. A. R. and its Auxiliary, Spanish War Veterans and other patriotic societies will jointly observe memorial day in this city addressed by Walter L. Toole, Jr. of McMinville.

Prof. Buell and family were up from Cloverdale Saturday on a shopping and visiting trip.

POST OFFICE AT GARIBALDI BURGLARIZED

CONFESSION IS MADE AND WILL BE TURNED OVER TO FEDERAL AUTHORITIES—VERY LITTLE KNOWN ABOUT EITHER.

Wilson Carl and Lewis Alexander of Garibaldi are in the county jail in this city, and will face a charge before the United States grand jury at Portland of robbing the Garibaldi post office last Monday night at about 9:30 o'clock. It is understood that both of the young men confessed the crime to John Aschm who was notified of the robbery at about 10 o'clock Tuesday night by Mrs. D. C. Ellis the postmistress, who returned after the robbery and found that the office had been entered and the money drawers pried open, and \$53.95 taken. In less than an hour and a half, Sheriff Aschm had both men in custody, and Alexander confessed that Carl committed the robbery while he stood outside and watched. After the robbery, the men divided up the money, Carl taking 60 per cent, and Alexander the balance. Carl had \$32.25 on him when arrested, and Alexander's share of the loot was buried in the woods near town, and later dug up by himself under the eyes of the sheriff, and recovered. After Alexander's confession, Carl was finally induced to come through, corroborating Alexander's statement as to complicity. The sheriff wired to the inspector at Spokane, and it is expected that a deputy U. S. marshal will soon be here to take the men to Portland, pending indictment and trial.

Both boys are residents of Garibaldi, and Alexander has relatives in the valley who are very respectable people. Not much is known about Carl's antecedents.

The Rev. Nathan Swabb of Salem, Oregon, representing the Christian Friend's Endeavor Society of Oregon closed a contract on May 15th with Dr. Wise to reserve 25 furnished cottages and tents for the use of its members while attending their annual convention which will be held at Barview from Aug. 22nd to Aug. 29th, 1922.

Charles Hall, state senator from Marshfield, who has recently gained strong support in his candidacy for Governor. It now appears that honors on the republican ticket have narrowed down to Hall and O'Leary. It is expected that Senator Hall will receive a heavy vote from the coast counties on account of his interest in western Oregon.

COUPE GOES OVER A 60 FOOT BANK

It is not often that an automobile turns over three times, falls down a 60 foot grade, without injuring the occupants or doing serious damage to the machine, but such was the experience of Mr. and Mrs. Ed. Woodward, who live near the old shippard, down on the Bayocan road. Monday was the time, and the coupe was coasting down a grade when the loose gravel skidded the coupe and it went over an embankment on the Netarts road to the bottom, a distance of 60 feet, and turned over three times before alighting. Neither of the occupants was hurt, and the only damage done was a broken glass of one of the coupe doors. As an acrobatic performer, this Henry machine is some bird. Woodward claims the coupe went "He haw!" when it stopped, but it must have been the gas trying to step on itself.

PIANO RECITAL

Mrs. J. C. Holden will present 35 pupils in a piano recital and Dunning Demonstration at the High School Auditorium on Wednesday evening May 24, 1922 at 7.45 P. M. The public is cordially invited to attend.

KU KUX KLAN LECTURE HELD TUESDAY NIGHT

OFFICIAL OF ORGANIZATION EXPLAINS PURPOSES AND AIMS—AID IN MAINTAINING LAW & ORDER.

Speaking to a packed house, John A. Jeffery, deputy grand lecturer of the Ku Klux Klan, Tuesday night held his audience to close attention as he explained the aims and purposes of the order and denounced the attempts of enemies to bring the Klan into discredit.

Speaker Jeffery stated that the vital principle of the Ku Klux Klan was to keep separate church and state. It was denied that the Klan had attempted to enforce the law but that the organization intended to aid law enforcement officials maintain law and order. It was stated that the Ku Klux Klan took as its ideal the life of Jesus Christ and that all its procedure was along Christian lines.

Stating that the Klan stood first last and all the time for the public school system, Mr. Jeffery denied that the organization attempted to foster religious intolerance and breed religious prejudice as long as religion was kept out of politics. Heavy applause was accorded the speaker as he scored the several points in the lecture. At the conclusion of the speaking J. E. Pilkington, organizer for the Klan, presented the local board of the Salvation army with \$100, which had been donated by the local members of the Ku Klux Klan. This was accepted on behalf of the board by Dr. J. E. Shearer, who paid high tribute to the Salvation Army.

Next Tuesday an answer to the charges made by Mr. Jeffery against the Catholic church and the Knights of Columbus will be given at a meeting in the city hall auditorium.

HIGHWAY NOW CLEAR TO SUMMER TRAVEL

County Roadmaster Carroll today states that the main highway to Portland is now clear, no restrictions at any time, regular travel.

BASE BALL OPENS WITH MUCH PEP

The initial game of the Tillamook base ball association opened last Sunday in this county, with much enthusiasm on the part of the devotees of the game. The day was ideal, and Tillamook took on the Nehalem club. The Tillamook club showed fine form, and the club defeated its opponents by a score of 21 to 5. There was a big crowd, and many people came down from Nehalem to witness their home club perform. Next Sunday Tillamook will play Wheeler at the home grounds.

At Beaver, the home team beat Garibaldi by a score of 9 to 8, in a hotly contested game, in which honors were about even. At Wheeler the Brighton club went down to defeat by a score of 17 to 9, before the home club. A good game is looked for at this place Sunday, as the Wheeler club is showing good form, and Tillamook will have to extend itself if it wins from the husky bunch from the sawmill town, but there are those who figure that Tillamook will deliver the goods.

PARENT-TEACHERS ASSOCIATION PRESENTS A FINE PROGRAM

Monday evening the Parent-Teachers Association met in the Gymnasium, Mrs. Stanley Coates, Vice-president, presiding. The following program was presented: Song eighth grade girls; Supplementary Reading, Miss Georgia Barry; Song, "Oh Night In June," H. S. Girls Glee Club; "The Health of the Child," Dr. David Robinson; The County Unit Plan, Supt. L. W. Turnbull; "The Moulders," Mrs. A. G. Beals; Recent Tendencies in Education, Carl Outhank, U. of O. The silk flag was won by Mrs. Hoskins' room.

GUERNSEY GAITIES PROGRAM AND LOCAL ITINERARY

The program of the coming Guernsey Gaities was given last week, and we now give the itinerary during the three days of festivities in this county, which are June 1st, 2nd and 3rd. The program consists of banquet on evening of June 1st in this city, and a sea food dinner at Netarts, and a lunch at McKillops. Following is the itinerary:

JUNE 1ST.
8 p. m.—Banquet at Tillamook Hotel.

JUNE 2ND
9 a. m.—Start from Hotel Tillamook. 9:05 a. m.—Mason's herd. 9:35 a. m.—Leave Mason's farm. 9:40 a. m.—Bern's herd. 9:55 a. m.—Leave Bern's. 10 a. m.—Lester Dangle's herd. World champion 2 year-old Jersey. 10:15 a. m.—Leave Dangle's herd. 10:20 a. m.—River Lawn herd. 10:35 a. m.—Leave River Lawn herd. 10:45 a. m.—Rose Lawn Farm. 11 a. m.—Leave Rose Lawn Farm. 11:05 a. m.—Rollie Watson—Breed of Holsteins. 11:10 a. m.—Leave Watson's. 11:15 a. m.—Tom Hyder. 11:25 a. m.—Leave Hyder's. 11:30 a. m.—John Naegli. 11:50 a. m.—Leave Naegli's.

LUNCH
2:30 p. m.—Leave hall. 2:40 p. m.—Jost & Perrin—Geo. Olsen. 3 p. m.—Leave Jost's. 3:15—Cottonwood Farm. 3:50—Leave Cottonwood. 3:50—Durrer & Hunt's. 4 p. m.—Leave Durrer & Hunt's. 4:10—M & H "Sequoia" ranch. 4:25 p. m.—Leave M & H ranch. 6 p. m. (continued on page 4)

INVESTIGATION INTO ABORTION IS PROMISED

COUNTY VETERINARIAN SHAW SECURES EXPERT TO COME TO TILLAMOOK IN AN ATTEMPT TO CURB DISEASE.

Dr. J. N. Shaw county veterinarian, was seen this week with reference to the progress of the work concerning contagious abortion, investigations into which were undertaken by Dr. Shaw and Prof. Miller of O. A. C. headquarters, a couple of weeks ago. Last week Dr. Shaw went out to Corvallis and talked with the head of the veterinary and department concerning future investigations, and as a result of Prof. Miller's investigation here in conjunction with Dr. Shaw, it was decided to carry on some sort of an investigational work with the disease as it has manifested in this county.

The investigation will be an effort to determine whether or not other factors beside the germ, enter into the cause. The soils of this county have been analyzed, and although no definite plans have as yet been worked out, it is contemplated that a chemical analysis of the grasses during different periods of the year, will be the first procedure. It is also possible that efforts will be made to determine the virulence of the germ for comparison with the germ virility as found in other parts of the state.

It is contemplated by the Station that the work for the control of this disease will be conducted at the branch station at Hermiston, Umatilla county. This control work should not interfere with any investigational work that is to be carried out in this county. Just when this work will be started is not definitely known, but possibly this summer.

"Positive results may not be obtained from such investigational work, but negative results, and direct attention of the Experiment Station, will be worth something to the county," concluded Dr. Shaw.

JOINT MUSICAL RECITAL

Mrs. J. C. Holden presented in joint recital Monday evening two piano pupils who pleased a company of friends with an interesting program. The pupils were Ruth Erskine and Neva Fletcher.

They were assisted by Corrine Stranahan with a well played violin solo, pleasing local numbers by Pearl Anderson and LaVerna Holden. Accompanist Mrs. Holden.

An interesting number was a trio given by Pearl Anderson, Neva Fletcher and Corrine Stranahan.

GRADUATION EXERCISES OF CLOVERDALE HIGH SCHOOL

The graduating exercises of the Cloverdale high school occur on the 19th. The baccalaureate sermon was preached last Sunday by Rev. Harry Tucker.

The class roll is: Ethel Ray, Arthur Owens, Margaret Shearer, Beatrice Blackburn, Velma Blackburn, Lois George, Edythe Hester, Pauline Miller and Hal LeFevre.

Mrs. John Blair returned Sunday from a trip to Portland.
