CEREMONIES INCLUDE SERVICES AT WATER FRONT AND CEMETARY—PROGRAM WILL BE AT CITY HALL AUDITORIUM.

Next Tuesday, Memorial Day, will be observed here with ceremonies which will be participated in by the members of the Grand Army of the Republic, Women's Relief Corps and The American Legion.

Since the signing of the Armistice in 1918 the younger ex-service men have been active in Memorial day programs under the guidance of the veterans of '61 and this year elaborate preparations are being made for the memorial services.

The program as now arranged is as follows: Water front ceremony for air and navy men by the Relief Corps at 10 o'clock a. m. This will take place at the bridge crossing Hoquartion. Memorial day service by American Legion at the city hall auditorium at 11 a. m. Lunch at the Knights of Pythias hall from 12 to 1:30. Joint services by Relief Corps and American Legion at Odd-fellow's cemetery at 2 o'clock.

The program at the city hall will be as follows: Invocation; address by post commander; Elks' quartette; flag drill; address by Walter Tooze, Jr.; Star Spangled Banner by the audience; and the benediction. The public has been urged to attend these services as a matter of patriotic duty.

The regular semi-monthly meeting of Tillamook Post of the American Legion will be held at the W. O. W. hall this evening at 8 p. m. sharp. The officers of the post are especially anxious that all members attend so arrangements can be made for the Memorial day program Post Adjutant Hesel has requested that all members who have uniforms wear them next Tuesday.

MOVES TO PORTLAND TO RESIDE

H. G. Guild packed up his family and belongings and moved to Portland last Tuesday where they have begun to make improvements on some property that Mr. Guild owns there. Mr. Guild came to this community several months ago and engaged in newspaper work, spending some time with the Headlight. He is an old timer in the newspaper business and is rated as one of the oldest, if not the oldest, newspaper man in Oregon. Quite a number of Tillamook people will doubtless remember Mr. Guild as the joint state representative for Tillamook and Yamhill counties about twenty-five years ago.

SEEKS FATHER HERE

With the idea that his father, Alben Haselton, might be in this vicinity or that someone here might know of his whereabouts, Victor W. Haselton of Everett, Wash., has sent a communication to county clerk H. S. Brimhall asking that any information regarding his parent be sent him. Mr. Haselton states that he has not heard from his father for thirty-five years but that at one time he was known to have been in Oregon.

PORTLAND'S CHIEF POLICE OVER ON FISHING TRIP

Chief of police L. V. Jenkins of Portland and family motored over here last week, and the chief spent a few days fishing Tillamook's crack trout streams. He is a frequent visitor to this section, and takes much interest in fly fishing.

A LOGGING EMPLOYEE LOOSES HIS TOES

Clarence Sullivan lost two toes one day last week when his foot slipped into the cogs of a donkey engine at the Coal creek logging camp. He was taken to the hospital at Wheeler for treatment.

THE GOLDSTEIN SMILE THAT MAY WEAR OFF

Nat Goldstein, who was dumped out of the Kansas City Post-Office because he accepted \$2,500 to boost Frank O. Lowden for the Presidency, looks happy in this picture, but did he wear this smile when Republicans and Democrats joined in denouncing him as an unhappy choice when President Harding named him to be Internal Revenue Collector for the St. Louis District?

BOXING CONTEST DRAWS CROWD

Last Friday night's boxing contest provided excitement galore for the fans of this city, three knockouts being the record for the event.

The first bout was an amateur between Glen Anderson and Gerald Stark, both of Tillamook. This was called a draw.

Bennet versus Gooch, both of Tillamook, were scheduled to go four three-minute rounds but this bout was quickly terminated when Gooch knocked Bennet through the ropes during the first round.

Mike Andor of the Whitney mill and Jimmy Anderson of Tillamook next contested for the lightweight decision. Andor was knocked out in the first round.

The main event of the evening was between Kid Hallowell of Brighton camp and Jay Houser of Wheeler. This bout was scheduled for ten three-minute rounds, but a solid punch in the second put Hallowell to sleep. It is now planned to match Houser with some good talent from the outside.

The boxing contests given under the auspices of the Tillamook boxing commission by the American Legion have been very well attended and it is expected that the commission will be encouraged to stage more of these events in the near future. Much favorable comment was heard regarding the fairness of the decisions and the fairness of the fights.

PARENT-TEACHERS NATIONAL GATHERING AT TACOMA

"The National Parent-Teachers convention at Tacoma," states Mrs. Frances Stranahan of this city, recently home for the event, "was one of the most impressive conventions I ever attended; and when you come to see a pageant of 16,000 school children in a parade with two children's bands, together with their fine precision in marching, their banners and all, it surely is an inspiring sight."

Mrs. Stranahan states that the stadium at Tacoma contained 40,000 people, and that 39 states were represented by delegates. One of the bands was composed of school children under 14 years of age, and another band was formed of high school children, and both furnished excellent music.

"The convention was both a revelation and a great treat," declared Mrs. Stranahan, as she turned to her ordinance book, and immediately fined two men for fighting in the city, when they appeared at that moment.

CHINOOK SALMON RUNNING

Chinook salmon are now running in the rivers of the county, and in another week the run will be on in full blast. Sportsmen have caught some large ones recently with the spoon, and the sport is now on, with many fishermen in evidence.

WOMEN'S CLUBS WILL MEET HERE COMING WEEK

1922 CONVENTION IS ARRANGED FOR AND PROGRAM IS COMPLETED—BEACH TRIPS ARE PART OF ENTERTAINMENT.

One of the several coming special events for the 1922 season is the annual meeting of the Oregon Federation of Women's clubs which occurs in Tillamook at the Christian church May 30 to June 2.

Mrs. C. J. Edwards of this city was in Portland last week conferring with Mrs. Dunbar, state chairman. Music is destined to play an important part in the entertainment of the convention. Ten minutes beginning each daily session will be devoted to singing. Singers of note are expected to be present, and local talent also will take part for the occasion. The following musical numbers will be used: America, America the Beautiful, Columbia the Gem of the Ocean, Dixie Land, Star Spangled Banner, Carry Me Back to Old Virginia, Home Sweet Home, Juanita, Old Folks At Home, A Perfect Day, Believe Me If All Those Endering Young Charms, Drink to Me Only With Thine Eyes, In the Gloaming, Love's Old Sweet Song, Santa Lucia, Sweet and Low, Silent Night.

The entertainment planned includes a trip to Lake Lytle, with an afternoon session and dinner at one of the hotels. Other beach trips, a visit to some of the cheese factories, and other entertainment is planned for the visitors by the local committees, whose program is not yet complete.

A formal reception will be held at the Christian church Tuesday, May 30th, at 8 p. m., for the delegates, to which all who are interested in club work are invited to attend.

The literary program promises to be a treat, say members of the local committee on entertainment, and during that period, Tillamook will be wholly given over to the visitors, who have honored the city with its selection as a place of meeting. The complete program follows.

CLEVER WINDOW DISPLAY

A window display which appeals strongly to the sportsman and the camper and hiker, in fact to all red-blooded people at this time of year, is the one at King-Crenshaw's this week. From a mountain height falls a silvery cascade; below is a brawling mountain stream and a lake, water fowl being seen on the latter, and in the depths are several real live trout. Miniature trees and moss assist to complete the scene, while a tent, and fishing rods and other camp accessories add to the suggestion of the summer season, and outdoor life. The window design is very clever, and attracts many on-lookers.

ROOF FIRE BREAKS OUT SATURDAY AFTERNOON

An alarm was sounded by the sirens Saturday afternoon at 3:30 o'clock and the location of the blaze proved to be in a dwelling on First street opposite the Allen House, and was caused by a defective flue. The fire got into the shingles and moss on the roof, but the fire department soon put it out. The house was occupied by Mrs. Day and family, and the loss was small if any.

OLD TIMER RETURNS AFTER LAPSE OF 23 YEARS

S. A. Roberts of Los Angeles, accompanied by Mark Hutchoff, both walnut growers of the state to the south of us, spent a couple of days here the last of last week. While here Mr. Roberts renewed many old acquaintances, and visited with his brother-in-law, Franklin Kelly, who, by the way, is also brother-in-law of Mr. Hutchoff. They also visited with George Williams and family, old friends of Mr. Roberts. The latter was in the hardware business here 23 years ago, and this is the first time he has revisited his old habitat since removing. Naturally, he expressed considerable surprise at the growth of the town and country.

MAN IS KILLED IN AUTO CRASH SATURDAY NIGHT

LOCAL MAN IS FELLEED AND FATALY INJURED WHEN HIT BY MACHINE—DRIVER IS NOT AT FAULT.

Evidently struck by the fender of an automobile while attempting to cross Stillwell avenue near Third street, Otto Nicholai suffered a broken neck and other injuries Saturday night from which he died Sunday afternoon.

The car was a light one driven by Edward W. Fritz, who was taking two girls home when the accident happened.

A coroner's jury setting on the case Monday brought in a verdict of accidental death. Fritz's story was that he had been coming west on Third street and had just turned the corner into Stillwell avenue when the figure of a man appeared just in front of his right fender. He thought that he saw the man fall over the fender and stopped the car to investigate. He found Nicholai lying on the pavement, bleeding from the nose and in a semi-conscious state. The injured man was taken to the hospital where he died.

All the evidence at the inquest tended to show that Fritz was in no way to blame and that he was in complete control of his machine and driving at a slow rate of speed when the accident happened. It was also brought out that Nicholai had been drinking liquor during the evening. Nicholai had been employed in the city as a janitor for some years past and leaves one child.

GYPSIES GRABBED PURSE—THIRTY DOLLARS DISAPPEAR

A band of gypsies yesterday relieved Roy Crimmins of Camp Four of thirty dollars in currency. While working at his duties around the cook house at the camp Crimmins was surprised by one of the gypsy women entering and, seeing her chance, grabbed his purse. He retrieved his purse but the money was gone. The band, which was traveling in three automobiles, was stopped on reaching this city and made to give up the money by deputy Sheriffs Holden and O'Dell and Marshall White.

TRAIL TO BE FINISHED SOON

It is learned that the unimproved trail which was cut out from Bayocean to Cape Mears lighthouse last year, suffered seriously from slides last winter, and that a force of men under R. W. Watkins of Bayocean are now making a new trail, from Bayocean which they expect to have finished soon. The new trail will be available for summer travel and will be an improvement on the old one, with a grade which will not be over 5 per cent. Bayocean people and that considerable interest always centers on a trip to the light house by those who frequent that resort each summer.

ELECTION DAY IS AN EXCITING ONE THRUOUT COUNTY

CANDIDATES RUNNING CLOSE CAUSED MUCH SPECULATION AS TO PROBABLE OUTCOME OF RECENT PRIMARIES.

One of the most exciting and uncertain election in years was the recent primary state election held last Friday.

Much interest centered about the race for Republican candidate for governor, Ben Olcott of Salem and Charles Hall of Marshfield being the centers of the storm. Multnomah county and the coast sections were strong Hall communities while Olcott's support was chiefly in eastern Oregon. Tillamook county voters were strongly in favor of the Coos county man. To date Olcott seems to have the Republican nomination and Walter Pierce of La Grande the nomination on the Democratic ticket. However up to within the last day or two it has been hard to determine who had been elected for gubernatorial candidate on the Republican ticket.

A partial list of the official count for Tillamook county is as follows: Republican: For national committeeman: O. H. Fithian 583; R. E. Williams, 883; Williams' lead is 300. AEROPLANES ADVERTISE FOR TRAINING CAMPS

Considerable interest was aroused by the appearance of two army aeroplanes which were seen circling over the city last Tuesday morning. Much comment was passed as to what their visit might mean. The arguments were soon settled however when a number of circulars were discharged from one of the machines and on reaching the ground were found to be invitation from the war department for attendance to the Citizens Training camp that will be held at Camp Lewis this summer. It is to be open to all young men who would care to attend it.

Mrs. C. A. McGhee, who has been very ill since the birth of a daughter has been reported in a critical condition during the past few days it was stated Thursday however that she seemed to be getting better.

Fred Metzkie of Cloverdale was a business visitor here the first of the week and reports a bright outlook for the town in the south as Contractors are preparing to go ahead with the erection of an amusement hall, which will be near the hotel.
