POMONA GRANGE

Pleasant valley entertained the Pomona Grange of this county on the first day of June, 1922.

The weather was perfect, the attendance good and the eats were super-excellent; what could a granger ask for, more?

The meeting was presided over by Worthy Master A. C. Daniel and the usual order of business was gone thru.

Twelve new names were added to Pomona's membership roll.

A gift of twenty-five dollars was made to Nestucca Grange to be added to the building fund of that grange.

Pomona has helped at least three granges with that amount when new halls were being erected or paid for. Come to the next meeting of Pomona Grange, which is to be held at Fairview on the first Thursday in September, and learn of a plan, adopted recently, to increase the attendance at Pomona meetings and to add to the funds of your own subordinate grange.
