OLD LIGHTHOUSE TRAIL MAKES INTERESTING HIKE

What is known as the old government trail to the lighthouse at Cape Mears makes a very interesting hike to those so inclined except that the brush has badly overgrown the trail which makes traveling difficult. It is good days outing to walk from this end of the trail to Short beach, north of Maxwell's point and return by way of the beach.

Society

A very interesting afternoon was spent at the Monday Musical Club, last Monday.

Roll call is always responded to with some item of musical interest.

The club decided to take up the study of operas in the fall. Wagner is to be studied first, and his opera "Tannhauser" will be taken up first.

A paper on "Music in Ireland" was read by Miss Gaylord, following which Mrs. Pettys sang "Killarney" Balfays last song.

"Music in England", paper read by Mrs. Carroll. "English folk Dance" was played on the phonograph. "Music in America", Mrs. Koch reading Mrs. Edwards paper.

Mrs. Tucker played a Military March, her own composition. This was well received.

Meeting adjourned to meet in September with Mrs. Carroll and Mrs. Edwards hostesses.

Albert Fortler and Alpha Olson were married at the home of Mr. and Mrs. J. A. Craven on Tuesday the 20th. The ring ceremony was used, Rev. H. E. Tucker performing. A lunch was served to the large number of relatives that attended the wedding. The couple will make their home in Tillamook.

SOME SHORTCAKE!

Monday evening the local members of the Bell telephone company family hearkened to nature's call and betook themselves to the banks of the river Trask.

There in the alluring moonlight bonfire was built and each of the fourteen members did his or her best to make the evening a successful one.

Of course the main feature of the evening was the supper. There was ample food for twice the number present and all agreed that the strawberry shortcake tasted like more.

On-lookers would have agreed that the telephone family stand for good-fellowship as well as for good service.

"millions now living will never die" --Judge Rutherford

There is special significance in the troublous days through which the world has passed since 1914. Out of these events will come greater developments, involving all nations and peoples.

The bible accurately foretold present conditions.

Its prophecies regarding the future will be fulfilled with equal exactness. The outstanding hope held forth in the Scriptures is the hope of eternal life, and the realization of this hope is now at hand.

It will be accompanied by all that the heart has longed for—HEALTH, PEACE, AND HAPPINESS. God's purpose in giving a man a revelation of His Plan was that mankind should use it, understand it, and appreciate the principles it sets forth.

An understanding of the Bible broadens one's view and inspires cheerfulness and optimism.

Prophets of old have described with glowing tongue the glories of the BRIGHT DAY THAT IS NOW DAWNING.
