OWEN MOORE in "REPORTED MISSING"

The real photoplay sensation of the year, directed by Henry Lehrman; whose reputation as a director of SPECIAL features has placed his name on the calendar of fame. "Reported Missing" is easily classed as an extraordinarily clever production. It's check-a-block with drama—yet bubbling over with laughand thrills—you'll say it has. Here's our tip—It's as good as "The Last Trail" and it's as good as "Thunderclap" that's going some we'll admit, but you're sure going to miss the photoplay novelty of the season; if you fail to see "Reported Missing". Two nights only August 1 and 2.
