NOTE—The Red Top tin contains Velvet that has recently been delivered from the factory. It is in fresh condition—cool and smooth in a pipe.

Each tin of **Velvet** TOBACCO with the RED TOP contains freshly made tobacco. Just right for your pipe.
And the mild smoothness you enjoy is the result of Velvet's two long year's ageing in wooden hogsheads. Patient ageing in Nature's way—the right way of removing raw harshness and bite.
You'll say that Velvet is cool, smooth and "sweet as a nut" in your pipe.
