Tillamook county is f tunate, after all. Notwi standing that the cour had a dry spring, the dri in forty years, the ea rains came last week month earlier, which w make the grass grow a provide plenty of fall fe for the dairy herds.

A representative of Oregon Agricultural C lege toured this county a spent a good deal of tir endeavoring to find a c tain bug that thrived black currant and goosebe ry bushes. Strange to late, not one of these bu had been found on either these bushes in Oregon. the college will examine t democrats who chang their party affiliations election day, maybe, that the bug that is troubling t democratic party in Orego

Just Plain United States President Harding in di cussing the strike evil th is injuring this country as every citizen n it said:

"Liberty is gone in Ame ica when any man is denie the right to work and live l that work. It does not ma ter who denies.

"A free American has th right to labor without an other's leave. It would no less an abridgement deny men to bargain colle tively. Governments ca not tolerate any class group domination throug force."

Isn't this the right ever American would fight for he realized or thought it wa being taken away from his

The Hall contest wa brought to a close on a count of the ruling of th court, which must be admi ted was fair and perfect proper, yet for all that plainly shows that the pr mary election law should amended, for there is no di puting the fact that Ha lost the nomination for th governor on account of th political dishonesty of number of democrats wl changed their party affilia tion for no other purpose than to defeat Hall. That i the general opinion of republicans who voted for Hall, and who think that he did not get a square deal on account of democrats taking part in a republican prima ry. Had the republicans done that and turned the election in favor of one dem ocratic candidate, what big fuss the democratic newspapers of the state would have kicked up. Af ter what took place at the primary election, democrats should not say another word about rotten politics, for they certainly did give the republican party and Hall a rotten deal.
