

WELCOME!

We are going to make a special effort during this special occasion of the TEACHERS' INSTITUTE IN OUR READY-TO-WEAR DEPARTMENT

To show you our up to the minute selections. Your particular garment is here. WOMEN'S COATS are divided into very distinct and separate types, each showing individual features, either in Sport Wear or Special Dress. We have them in the very popular styles made of mannish cloth in grey, brown and new heather mixtures. Some are plain, some have fur collars. Our Dress Coats show deep luxurious fur trimmings and very smart full lines. The sleeves are as a rule, wide and loose. Some are gathered into a fur cuff and some hanging loosely—with lining fitting closely at the wrist for warmth.

WRAPPY COATS THEY ARE CALLED

and in the dress coats are also shown almost exclusively. Bloused backs are also shown to some extent. Note the bright luster in our Normandy Cloth.
