Puts "PEP"
in cold motors.

For winter driving, change to "Red Crown" quick-starting gasoline and stick to it.

"Red Crown" vaporizes rapidly, even at zero temperatures. It is the quickest-starting motor fuel on the market.

You'll notice the difference immediately in the increased power and flexibility of your engine running on "Red Crown." It delivers 100% power instantly in the coldest weather.

Play safe. Fill at the Red Crown sign, at service stations, garages and other dealers.
