The Spirit of Christmas

A spirit that marks the great growth between savage and civilization—between Good Will and Ill. Noble, Unselfish customs born in the shadows of the cross, sublime legacy bequeathed by a tragedy divine. Today it is a spirit of a free nation, the same spirit of "Peace on Earth, Good Will toward men." Christmas is on the threshold of our homes, bringing its Yuletide cheer, its fragrance of love and friendship, its happy impulse of giving. Let the spirit of Christmas gleam as of old, shining with holy light on a new world.

A Xmas Greeting

Our complete line of Bertha Lace Collars are in. A present at this time. Seemingly a small thing means much to the one who receive it. Collars and Vestees—\$1.75 to \$5.50

For Women, Only, to Read MEN KEEP OUT

Many a Christmas goes by with the man of family passed up with the time-worn excuse that "he has everything he wants anyway". Say, do you know that the average man is like a boy on Christmas morn and the disappointment at finding an empty stocking is just as keen as the boy were but ten years old? But don't get him useless "gee-gaws". Any man can use a new tie or a pair of gloves, or some sox or even the old stand-by, a pair of bed-room slippers. With the giving of a practical gift he will not only remember you for the day or the week, but the years to come.

GIFT UMBRELLAS The Indispensable

You don't need an umbrella all the time—"isn't that good cheer", but when you do you need it bad, for that reason we think our better grade silk umbrellas make a very acceptable gift. \$5.00 to \$17.50. Christmas may mean you get a pair of Kid Gloves. We have them in all colors, all sizes, including the better grade Gauntlet. Reasonably priced.

Nearly all the Christmas memories men and women cherish are memories founded on home Christmases. The delights of stealing down stairs, of the dazzling Christmas tree, and gift inspections in their wrappings, the row of bulging stockings and their ever pleasant contents,—we have the stockings for mother, sister, father and brother. Silk at \$1.25 to \$4.50 per pair. Wool, silk and wool lisle and cotton—they are all the quality kind that make Pennington's the place to buy at Christmas. Priced to suit you. We can also fill the stockings at a very moderate cost.

BAGS AND TRUNKS For Christmas

Most every man has a hankering for some one thing but feels that he must put it off because the money can be used to better advantage in some other way. Maybe your man dreams of the time he can own a nice bag, or suit case, or even a trunk, that can called "his" instead of "ours". Satisfy that want by making your selection from our large stock of high grade, dependable luggage. Prices to suit your purse.
