Honor these Seals

A NATION-WIDE movement is carrying on a warfare against the scourge of Consumption. In saving over 100,000 lives last year, it actually cut the death rate from tuberculosis in half.
Each year these organizations sell Tuberculosis Christmas Seals. The proceeds from these sales are devoted to the work of caring for and curing tuberculosis patients and to educational and other work to prevent the dread disease.
Buy these Seals and urge your friends to buy and use them. To do this is both Charity and Patriotism.

The three gasoline requirements for winter driving

If you're having trouble starting—if you sit in the cold and buzz-buzz your starter without result—then it's time to change to "Red Crown"—the winter fuel for motors.

Use "Red Crown" exclusively, and you get off at the first jump of the spark.

"Red Crown" vaporizes readily in the coldest weather. Fill your tank with "Red Crown" and nothing else, and you'll be rid of three-quarters of your cold-weather motoring troubles.

Fill at the Red Crown sign—at service stations, garages and other dealers.

STANDARD OIL COMPANY (California)

Zerolene good cold-test oils flow freely and lubricate perfectly in zero weather—protect the bearings—increase the power and flexibility of your engine.
