JUNE 34. NUMBER 17.

TILLAMOOK, TILLAMOOK COUNTY, OREGON, FEBRUARY 2, 1923.

TWO DOLLARS PER YEAR

COUNCIL CONSIDERS NEW ORDINANCES

At a special meeting held last Monday evening by the city council to consider a number of ordinances the city attorney received instructions to prepare measures to cope with the various conditions about the city.

One of the laws considered was to cover the state building requirements in connection with fire risks. The new ordinance to be presented will follow along the lines of the state fire marshal's law.

An amendment to Ordinance 860 to control minors of the city in attending dances and public gatherings and to stop the irregularity among minors attending these gatherings. Representatives from the Women's club of the city and the Ku Klux Klan were present with resolutions from their respective organizations urging the council to act in this matter. The city will attempt to cooperate with county officials in controlling public dances. Managers of dances in the city have expressed their willingness to have such ordinances passed, stating that in practically all instances they have been unable to handle the situation themselves.

The plans for the building that A. G. Beale intends to erect in the city were brought before the council for its sanction.

The city attorney was instructed to draw an ordinance making the manufacture of liquor unlawful in the city. So far the only prohibition law on the city books has been in connection with drunkenness.

The next meeting of the council will be held February 5, and the city governing body has asked that there be a good attendance of citizens at that time to express their views on legislative matters concerning the city.

TILLAMOOK WOMEN'S CLUB ACTS ON CIVIC MATTERS

The Women's Club held a special meeting Tuesday for the purpose of making plans to cooperate with the city council in the matter of securing a police matron for the city and to secure regulations to govern the attendance of minors at public dances. Mrs. Orpha Eastman, Mrs. W. B. Alderman and Mrs. R. B. Hayes were elected on a committee to confer with city and county officials on the subject.

The club approved the plans for the new school house and the issuance of bonds to the extent of \$95,000 to cover the cost of the building. E. T. Botts was present and explained the plans and the bond issue. He was asked by the club if it would be possible to secure a gymnastic teacher for the younger school pupils.

The city officials were commended for their decision to strictly enforce the curfew laws.

Owing to the fact that it was thought that the bills introduced in the legislature by Representative Watson in regard to the abolishment of the Child Welfare commission, and future care of dependent children as provided by said bills would not be an improvement over present conditions the club voted to send protests to Mr. Watson, Senator Edwards and the committee to which the bills might be referred.

A discussion of chautauqua and lyceum courses for the coming season was brought up and the club expressed a sentiment strongly in favor of a chautauqua if suitable arrangements could be made. Mrs. R. A. Leonard, Mrs. W. B. Alderman and Mrs. C. Edwards volunteered to serve on a committee to investigate conditions and ascertain if the city and county are receptive to the idea of a chautauqua, and to determine what arrangements could be made with the chautauqua companies.

JUDGE McCAMANT WILL GIVE BOOKS TO LOCAL LIBRARY

Judge Wallace McCamant of Portland is very much interested in increasing the study of American history and the appreciation of the work of our great historical leaders and statesmen. The state librarian has notified the Tillamook library board that he is arranging for a gift of 81 volumes of biographies, one set of American Statesmen series, to a few Oregon libraries and Tillamook is one of the few favored. The series is listed at \$2.00 per volume so will be an addition that the board would not have been able to purchase with their limited book fund.

SCHOOL BOND ELECTION FRIDAY

Next Friday, February 9, there will be an election held at the high school gymnasium between the hours of 2 and 7 P. M. for the purpose of voting bonds to the amount of \$95,000 to provide funds for the erection of a new grade school building for District No. 9.

The bonds to be voted upon will be for ten years, though it is hard to determine at this time what interest will be charged, on account of the unsettled condition of the bond market. Bond houses have advised that it will probably run about 5 per cent.

The local school district is in very good shape financially, as it has been on a cash basis for some time. This is expected to omen well for the bond election.

The old school building that has been occupied since 1903 and has long since been outgrown. In some rooms there are over 45 pupils, when 30 is considered a large number. A year ago it was found necessary to build two portable school houses on the Stillwell tract, and this winter it was found necessary to rent the Presbyterian guild hall to accommodate the pupils.

The plans for the new building allow for a structure that can be readily enlarged to suit the increase that is expected within the next fifteen or twenty years.

BISHOP W. T. SUMNER TO VISIT TILLAMOOK SUNDAY

As the Right Rev. Walter Taylor Sumner, bishop of the Episcopal church of Oregon, was unable to fill his appointments in Tillamook on the first Sunday in January as the rain and wind storms tied up the railroad, and prevented his reaching the city, he has made arrangements to be here next Saturday and Sunday, this being his first visit to St. Alban's mission. Members of the Masonic lodge and Eastern Star have been invited to hear Bishop Sumner preach morning and evening at the Masonic hall.

Saturday evening the Episcopal Guild will entertain Bishop Sumner and Archdeacon J. C. Black at the home of Mrs. Fred C. Baker.

The services for Sunday are as follows:

8:00 A. M.—Holy Communion when Bishop Sumner will be the celebrant.

10:00 A. M.—Church school.

11:00 A. M.—Confirmation and sermon by Bishop Sumner.

3:00 P. M.—Vespers meeting.

7:30 P. M.—Evening Prayer and sermon by Bishop Sumner.

All are cordially invited to these services.

GRAND JURY IS IN SESSION; MANY INDICTMENTS EXPECTED

The grand jury was called in session yesterday and from the number of witnesses called before that body it is expected that a large number of indictments will be returned. Circuit court convenes next Monday.

ROOSEVELT HIGHWAY BILL PASSES THURSDAY

Word was received from Salem yesterday evening that the Roosevelt highway bill, providing for matching federal funds for the construction of the highway, had passed both the house and the senate after some discussion. February 1, 1923, was the final date on which this measure could be considered, and it was rushed through at the last minute. The state has agreed to match federal funds up to \$2,500,000 for the construction of this road.

MAN CHARGED WITH LARCENY RETURNED FROM WASHINGTON

Sheriff Aschm returned last week from Montezano, Wash., bringing with him S. L. Beals, who is charged with larceny both in the justice and circuit courts here. The law violation is said to have taken place last October.

COLLEGE GLEE CLUB WILL APPEAR HERE IN CONCERT

People who enjoy good clean entertainment will commend the action of the Tillamook High School Student Body in sponsoring the concert to be given by the Men's Glee Club of Pacific University next week in the high school gymnasium.

Everyone likes to hear a good glee club, and as this is the first time a college glee club has ever appeared in this city, they should be greeted by a crowded house. Those who have heard the club say that it is exceptionally good. The entertainment is a typical college glee club program—choruses, quartets, etc., with a comedy stum which is said to be a scream.

The club recently made a successful trip into Washington and delighted large audiences at each stop.

The entertainment is under the auspices of the Student Body of Tillamook High School. Their percentage of proceeds will go to the fund for the High School Annual. Seats will be 50c and 35c. Tickets on sale at Koch's drug store. Curtain will rise at 8 at the gymnasium Friday, February 9th.

CARD OF THANKS

We take this opportunity to extend our heartfelt thanks to all who were so kind and ever willing to assist us during the last illness and death of our husband and father. We wish also to thank all those who sent flowers and in other ways assisted us during our time of bereavement. For all the above, accept our thanks.

MRS. E. H. PARTRIDGE,
MR. and MRS. L. E. PARTRIDGE
RUTH PARTRIDGE.

Society

Mrs. R. B. Hayes entertained a few of her neighbors at her home, Saturday afternoon, January the twenty-seventh. Following an afternoon pleasantly spent in sewing, a floral game was played with Mrs. Turnbull winning the honors while the consolation was given Mrs. Chester Hoskins.

The guests present were, Mesdames Moulton, Grider, Case, Conover, McKinley, E. G. Anderson, Turnbull, Chester Hoskins, Geo. Lamb, Boone, Miller, Pennington, J. H. and H. H. Rosenbergs.

The Swastika held its regular January meeting at the home of Mrs. R. B. Hayes, Friday the twenty sixth. The afternoon was pleasantly passed in sewing and following the business meeting a game, testing the guests' botanical knowledge was played, Mrs. B. C. Lamb receiving the highest score and Mrs. W. J. Hill the lowest. The guests of the afternoon were Mesdames Crenshaw, B. C. Lamb, Hunter, Holmes, Robinson and Groat. Members present were Mesdames Hill, Koch, Burge, Habelack, Haltom, Williams, Kurath, Smith, and Harrison.

The Wabbevwanna Club met at the home of Mrs. Lotie Hanshmar, Monday evening of last week. Mrs. Charlotte Mathews assisting. Others members present were Mesdames Christensen, Coe, Larson, Beth Othout, Margaret Othout, Shearer, Terry Thomas, Williams, Winstow, Lucas, Keesee, Hoy, and Miss Harriet De Ford. Officers for the year 1923 were elected as follows—President, Enola Thomas, Vice President, Rose Williams, Secretary and Reporter, Charlotte Mathews. Sewing and conundrums were the order of the evening. Lucile Christensen and Rose Williams being the prize winners for the evening. After the regular meeting and social hour a light lunch was enjoyed by all.

About forty five members and guests of the Ladies Aid of the Christian Church enjoyed a social afternoon at the church Thursday afternoon. After an afternoon of sewing and visiting the losing side in the quilt contest served a "mystery" luncheon. Each person was allowed to select from a "mystery menu" three articles and there was a great deal of merriment when the luncheon was served. The aid has planned a great deal of work for the year, one of their first enterprises being the serving of the cheese-makers banquet at the church Monday night. They hope to be able to raise \$1500.00 by the end of the year for the church work.

The Methodist Ladies Aid was entertained Thursday afternoon by Mrs. Stuart and Mrs. Thomas at the home of the former. The afternoon was spent in sewing, and laying plans for the work of the aid during the year. Refreshments were served.

The Sunshine club met Tuesday,

Jan. 30th, at the W. O. W. hall with twenty-five members present and three guests, Mrs. W. H. Stark, Mrs. J. H. Pittenger and her mother, both of Lincoln, Nebraska. Two new members were admitted to the club, Mrs. Geo. Larson and Mrs. A. R. Keesee. Refreshments were served by the hostesses, Mrs. C. B. Stanley, Mrs. W. E. Noyes and Mrs. E. H. Star. All enjoyed a pleasant afternoon. The club will meet again on February 22nd.

The Friday Bridge Club met last Friday at the home of Mrs. W. D. Pine with Mrs. J. N. Shaw assisting the hostess. The rooms and luncheon table were tastefully decorated with pussywillows and pine cones. The dainty luncheon was carried out with a pink color scheme. Mrs. D. O. Spitzmesser won the high score for the afternoon and Mrs. Paul Fitzpatrick the consolation. The members present were Mesdames C. W. Barriek, Paul Disney, John Carroll, Archie French, Clent King, W. F. Nichols, W. D. Pine, Fred Small, J. N. Shaw, L. W. Turnbull and D. O. Spitzmesser. Mrs. Paul Fitzpatrick was the guest of the afternoon. The next meeting of the club will be held with Mrs. Nichols and Mrs. Paul Disney.

HIGH SCHOOL NOTES

The second week in the new semester has begun, seemingly more encouraging to some of the new Freshmen, who were found during the first week wandering from place to place; because of the crowded conditions in the seating. To prevent this Mr. Johnson and his most trusted helpers have put in several new seats. The newcomers, who are 23 in all, now seem more at ease.

Several of the new Freshmen when called upon to speak, revealed to the students their great oratorical powers, which are very promising to them as future citizens and speakers of the assembly.

Last Friday the Student Body held its mid-term election of officers. The officers elected for the coming semester are:

President, Noah Richards; vice president, Victor Mathews; secretary and treasurer, Ruth Gold; General Manager, Jim Tone; Sergeant at Arms, Henry Himes; yell leader, Buslah Bowers; editors, Mable Anderson, Rebecca Campbell.

We feel sure that the Student Body will cooperate with the officers of their choice, in making this semester a success.

The students of Tillamook High School, after a lively discussion Friday, adopted "Kilichia" as a standard name for their high school annual. This had more meaning than the other names suggested, and is suggestive only of Tillamook.

The Sophomore Class elected the following officers for the new semester: President, Wanda Haltom; vice president, Kenneth Mahan; secretary and treasurer, Rowena Hanson, Class representative, Paul Powers; class advisor, Miss Barry.

The following members were voted into the Zeta Gethian Society Friday: Victor Mathews, Eugene Hamrick, Paul Powers and Marion Lamb.

The basket ball game between Tillamook H. and McMinnville, Saturday, resulted in a score of 22-39 in favor of McMinnville. The saying goes "A poor beginning is a good ending" and the T. H. S. boys made this seem true when in the second half they scored more points than all the opposing team. The High School boys went out to play Newberg Monday, and came home with smiling faces and hearts full of glee. Why? Look at the score! Newberg 13, Tillamook H. 19. Rah! Rah! Tillamook!

The students of T. H. S. are going to bring in and entertain the Young Men's Glee Club of Pacific University, consisting of 18 young men. We know that it will be worth our time and money to hear these young men entertain of its kind that has ever been in Tillamook and we hope that it will be an inducement to the bringing of others. We are assured that this will be a success as it has been highly recommended and applauded, in the other counties and states where it has been. So we hope every one will make his plans now to har these young men that are to entertain us in the High School gym, February 9.

Inter Class basket ball games Monday evening resulted in a score as follows:

Seniors 19, Juniors 8; Rah! Rah! Rah! Seniors.

Fresh, 17, Sophs 3. Hip! Hip! Hoory Fresh!

CARD OF THANKS

We wish to thank our friends for their kindness to us during the illness of our little darling; also for the beautiful flowers.

Mr. and Mrs. Charles E. Stephens.

W. W. Carl, of Garibaldi, was to the city Thursday.

SENTIMENT FAVORS FORMING PORT HERE

A meeting was held at the court house Wednesday evening for the purpose of getting a clear understanding of the sentiment in this vicinity regarding the formation of a port and harbor improvements for Tillamook bay.

The meeting had been called by Captain George Mayo of the United States Engineers and about forty local citizens were present when the subject was discussed.

Mayor Smith read letters received from several mill operators about the county stating the estimated amounts of lumber that could be shipped by water. One lumberman offered to construct a mill of 100,000 feet capacity if the proposed harbor improvements were made. The total tonnage as given by these statements ran into a large amount.

Caplan Mayo outlined a tentative plan of operation, in which the construction of a 20 inch suction dredge was included. The plan allowed for a channel 16 feet deep and 200 feet wide from the present end of the Bay City channel to a point near the mouth of Tillamook river and included a turning basin at the terminal. The probable cost of the operations was also given.

A number of those present spoke on the desirability of having a port. Captain Mayo will make his report to the War Department concerning the project very shortly, it is said.

MONEY RECEIVED MONDAY FOR NATIONAL GUARDSMEN

Nearly \$2000 was received by Captain Shearer this week as pay for the men of Company "K" for the last quarter of drill. The receipt of the money seemed to have considerable power to raise interest in the military organization.

The Tillamook company is after the scalp of Company "G" of Portland, which has been very jubilant recently as being high company in points of attendance in Oregon.

In September Tillamook was high company and last month the local organization was second. January will doubtless show Tillamook at the top of the list again, for fifteen recruits were added during that month and the attendance was very satisfactory. There are 95 enlisted men in Company "K" at present.

TAX BOOKS BEING BROUGHT FORWARD FOR NEXT YEAR

The force at the sheriff's office is busy now bringing forward the balances preparatory to the new tax year. The tax levied on Tillamook county last year amounted to \$920,000 while this year it has been cut to \$830,000.

BUYS JERSEY BULL

Mr. White of Beaver recently purchased a young Jersey bull of L. C. Daniels. This bull is richly bred being from Olga Lade Dewell, the dame of St. Makes Pretty Lady, that holds the senior 2 year old world record with 824.33 lbs fat and will soon finish another record of 305 days making her a world record as a four year old. His sire is Bell's St. Mawes Lad, whose daughters will soon qualify him for a Silver Medal.

Mr. Daniels is proud to place this bull in this herd as Mr. White has a fine start of Jerseys and will soon be one of the leading Jersey breeders in Tillamook county.

WATER PERMITS

During the months of October, November and December, ninety-two permits were issued by State Engineer Percy A. Cupper, for the appropriation of water from the various streams throughout the State of Oregon. The permits cover the irrigation of 2,767 acres of land, the development of 837 horsepower, and the use of water for mining, municipal and domestic and various other purposes. The estimated cost of construction work under the permits is approximately \$140,000.00. During this period, permits to store a total of 1,363 acre feet of water in three reservoirs were issued, the estimated cost of such reservoirs being \$11,800.00.

In Tillamook county permits were granted to:

N. Christensen covering the appropriation of water from Mills Creek for domestic use and irrigating of 30 acres at a cost of \$200.

Ada Benfield covering the appropriation of water from Boulder Creek for irrigation of 50 acres at a cost of \$100.

D. A. Bailey covering the appropriation of water from an unnamed stream for domestic use.
