D. W. Snyder and Maude Snyder, husband and wife, Tillamook County Bank, a banking corporation, and Al Boon, Defendants.

To D. W. Snyder and Maude Snyder, husband and wife, defendants above named:

In the name of the State of Oregon, you are hereby required to appear and answer to the complaint filed against you in the above entitled suit, in the above entitled Court, on or before the 1st day of April, 1923, and if you fail so to appear or answer, for want thereof, plaintiff will apply to said Court for the relief prayed for in plaintiff's complaint herein, to-wit:

First: That plaintiff have and recover from the defendants, D. W. Snyder and Maude Snyder, the sum of \$500.00 together with interest at the rate of 7 per cent per annum from the 30th day of April 1921, and for the further sum of \$100.00 attorney's fees and its costs and disbursements incurred herein.

Second: Adjudging and decreeing that plaintiff's mortgage be a first, valid and subsisting lien upon the real property hereinbefore described, and provided that said mortgage be foreclosed and that the said real property be sold in the manner provided by law for the sale of real property upon execution, and that the proceeds of such sale be applied to the payment of the costs and disbursements of this suit and the expenses of sale of said real property; to the payment of plaintiff in the sum of \$500.00 with interest thereon at the rate of 7 per cent per annum from the 30th day of April, 1921; to the payment of plaintiff in the sum of \$100.00 attorney's fees, and that the balance, if any, be applied as the Court may direct.

Third: That all defendants, and each of them, and all persons claiming or seeking to claim said real property or any part thereof thru or under them or either of them, be forever barred and foreclosed of any lien, claim, title, interest or equity therein or thereto, except the statutory right of redemption.

Fourth: That plaintiff have judgment and execution against defendants, D. W. Snyder and Maude Snyder, for any deficiency which may remain after applying all of the proceeds of the sale of the said real premises described in said mortgage to the satisfaction of the indebtedness to plaintiff, and that plaintiff or any other party to this suit may become a purchaser at said sale, and that the purchaser be let into possession of said premises, and that the Sheriff of Tillamook County, Oregon, at the proper time execute a deed to such purchaser, and that plaintiff may have such other and further relief in the premises as to the Court may seem just and equitable.

MER ROUGE STORY

(Continued from Page 1)

Rouge keeps a negro woman in addition to his white family. Furthermore, this same deacon has taken a widow under his care in order that he may pay attention to her 17 year old daughter. He recently bought a Ford for the girl.

The town marshal is known for miles about to be the champion poker player of the parish.

J. L. Daniel, father of Watt Daniel operates a gambling house where both whites and negroes congregate and gamble together.

Watt Daniel and Thomas Richard who are said to have "disappeared", were "touts" for the gambling house. Both were bootleggers and each kept a negro woman.

The gambling house of J. L. Daniel is maintained at his own home in Mer Rouge and the state's attorneys who are here conducting this probe know it, for one of them was there Tuesday night, gambling.

The people of Morehouse parish do not believe Watt Daniel and Thomas Richard are dead. They believe they left for parts unknown, probably New Orleans, at the instance of the Catholic hierarchy, and are being kept there now in order to foster their nefarious scheme of laying crime that does not exist on the heads of innocent men.

The bodies that were identified as those of the missing men are believed to have been brought to Lake La-fourche by the enemies of the K. K. K. and "found" by the Catholic officers of the law in dragging the lake. It is the general belief that the bodies have been used as specimens by some medical college, and were so disguised before being brot here so as to make identification impossible. It is pointed out that articles belonging to Watt Daniel that were found on one of the bodies could have easily been given to the plotter by Daniel and placed on the bodies in that way.

The "search" for the torture machine that is conducting the hearing The report has gone out that the officers are "dragging" the lake to find the torture machine. Klanmen are keeping close watch on the officers to see where they are building it and see when they throw it in the lake so it can be "found." The existence of a torture machine is not given one moment's credence by people on the ground. These facts have never been pre-
