### New Offerings in the Spring Vogues!

## Coats, Suits and Dresses

Whether it be bouffant frock, tailored suit or luxurious wrap one is surprised by the wealth of delightfully novel and irresistible details. A duvetyne coat has a collar of soft caracul, a taffeta frock has a corsage of bright flowers and there are clinging Canton Gowns, trimmed with sparkling beads and colorful embroidery.

There is a great tendency toward the short Box Coat in the New Suit Fashions—that is unusual and chic. Some are very severely plain in Twill, and Tweeds, others with Braid or Embroidery Trimmings, with here and there a dash of color in lining or buckles. Every dictate of the mode can be found in our collection, insuring a width of selection.
