

DeLuxe THE BEDSPRING LUXURIOUS

DeLuxe is the most luxuriously comfortable bedspring made. It will give you a lifetime of satisfactory service and more soothing delightful restful repose than you have ever known.

Various comforts in the bedspring DeLuxe is a result of special features in the construction, among which are the extra long, highly tempered conical coils, which are attached to the large coils by patented Hook Fasteners which insure the integrity of the entire fabric and distinguish DeLuxe from its many inferior imitations. Each coil is thus given freedom of action and the bedspring is made flexible, so that it follows the contour of the figure and supports the whole body buoyantly in a natural and therefore healthful position. It does not sag like a hammock or pitch to the side of heavier weight when occupied by two persons. Tranquilized and made drowsy with a sense of physical comfort, you drift off into sound and refreshing sleep.

DeLuxe is handily finished in Rome Gray Enamel and will fit metal or wood beds (and four-foot wood beds) without any change.

"It's the Bedspring, not the bed or mattress that makes all the difference."

COUNTY NEWS IN BRIEF

NEHALEM

A. H. Gaylord was a Nehalem visitor last Friday.

Emil Anderson visited the county seat on business last week.

Walter Walker drove out to Portland last week on business, returning Friday by way of Tillamook.

Mrs. S. G. Reed of Neah-kah-nie returned Sunday from a short visit at Corvallis.

Lee Mead is making frequent visits to the county seat these days where he goes to purchase goods for his store. He reports business very satisfactory.

M. L. White who was severely injured while working at Brighton camp several weeks ago is recovered sufficiently to go about a little but will be unable to go to work for some time yet.

A too familiar sight these days is automobile collisions. The crossing at camp 4 was the scene of such an accident last Saturday evening which makes the third within the past two months. In each instance one or more of the machines suffered more or less damage though fortunately no one was injured. Doubtless this number will be multiplied several times as the roads improve and the travel hurry and the machines lack horse sense, and as yet, no successful substitute has been discovered.

Last Saturday evening while playing with some other children of his own age, Norman the five year old son of Mr. and Mrs. E. C. Allen fell and fractured one of his arms at the elbow. He was taken to Portland for treatment.

Mrs. Emil Anderson and Mrs. Violet Davis entertained about twenty young people last Saturday afternoon from two to five with games and luncheon, in honor of the birthday anniversary of each of their daughters, Marion and Laverne, seven and nine years respectively. Two of the guests also celebrated the same day, it being the anniversary of the birth of Evelyn and Florence Crawford who are eight
