"One minute essays on health by Dr. H. L. Babb"

Uncle Ben Says:

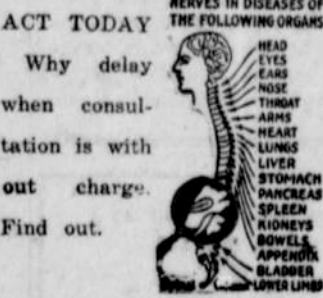

"The fellows who got married to escape the draft Navy, now wish they had gone to war."

After trying many things, after turning the world upside down, so to speak, in search for lost health, it means much to find that there is still another way that is sound and successful to turn to, a way that will bring back your earning power and your old time chance for happiness.

Chiropractic is a means many, who thought life was hopeless for them have found "to come back". They do come back. Chiropractic is regularly bringing them back to sound health and earning power.
