EACH MAN IS AN INVESTMENT  
"One minute essays on health by Dr. H. L. Babb"  
Uncle Ben Says:  
  
"Nevvy its out of competition that we develop the muscles of success."

When health runs down and seems impossible to reclaim then each man realizes that he is an investment and that his health is not exactly his own concern alone, but is a matter of importance to his family and his work associates.  
Chiropractic spinal adjustments succeed because they have to do with the spine, which is the center and distributor of life impulses, the power that travels the nerve lines. When these nerve lines are kept free of pressure there is health.  
Chiropractic spinal adjustments as given by this office have restored health in a number of cases in the past few weeks. The sufferers have been made well of diseases of the eyes, ears, nose, throat, lungs, heart, stomach liver, kidneys, bowels and lower organs.
