STUDEBAKER BIG-SIX FIVE-PASSENGER COUPE \$2550

The Big-Six Coupe Offers a Rare Combination of Elegance and Utility

Into the Studebaker Big-Six five-passenger Coupe have gone, without compromise, the finest design, materials, workmanship and the best of Studebaker's 71 years' experience.

Nothing has been left undone to make this big, roomy coupe as fine an enclosed car as can be built.

Certainly no car performs more brilliantly or is more reliable. None possesses greater beauty or is more luxuriously comfortable. None is more enjoyable to drive—and no other make of car is more completely equipped.

You will appreciate the generous roominess of this Big-Six Coupe, its sterling quality of body and chassis and its wealth of refinements—including the large trunk; extra disc wheel complete with tire, tube and tire cover; handsome nickel-plated bumpers front and rear; courtesy light; motometer; flower vase; clock; aluminum-bound running boards with corrugated rubber mats and step pads; rear-view mirror, automatic windshield cleaner, glare-proof visor, and many others.

Its low price is due to large volume and to the fact that Studebaker overhead is shared by three models—all sixes. Then, too, only one manufacturing profit is included in the Big-Six price because all vital parts are manufactured in Studebaker plants.

Studebaker has been building quality vehicles for more than two generations.

Power in surplus measure to satisfy the most exacting owner

ALICE BRADY in "MISSING MILLIONS"

A "Boston Blackie" crook-thriller by Jack Boyle. Everybody likes a good crook story—and here's the Big Ace of them all. David Powell supports Miss Brady in this one.

"365 DAYS", Pollard Comedy

TUESDAY, JULY 17

"MIGHTY LAK' A ROSE"

One of the greatest pictures of the past year. It is a story not easily told—for words are empty things to tell of something that is beyond words—it will get you and hold you. There is something in this picture that you won't see on the screen. Cast includes James Rennie, Dorothy Mackill, Harry Short and others of prominence on the screen.

WEDNESDAY, JULY 18

"A SON OF THE DESERT"

A story of the adventures and experiences of an American party in the land of the Shik. They were there to buy Arabian horses to be shipped back to Texas but the expedition was forced to resort to strategy to get out of the country. A picture of thrills.

"SMARTY," Comedy

THURSDAY, JULY 19

"WHAT A WIFE LEARNED"

Featuring Milton Sills and Marguerite De La Motte. A swift panorama of contrast; of East and West, of a rough westerner and a polished easterner; of a primitive husband and a modern wife.

"LEATHER PUSHERS" NO. 14

FRIDAY, JULY 20

"WHY ANNOUNCE YOUR MARRIAGE"

A delightful comedy drama, based on the question of secret marriages. Just imagine the questionable positions you might be seen in if they did not know you were married, you would be misjudged at many times and at the same time you would be enjoying a highly colored joke on your friends. This is just a hint on "Why Announce Your Marriage"—to enjoy an evening, see this one.

SATURDAY, JULY 21

HOOT GIBSON in "KINDLED COURAGE"

A rapid fire western picture filled with snap and action.
