FRENCH CRIMINAL **GIRLS' LOT HARD**

Notice is hereby given that the Confined in Castle Prison, Working Long Hours.

UNDER STRICTEST DISCIPLINE

Although child crimes in France are ine the assessment rolls for Tilla- not so numerous as might be expected check while mothers often sought work in ammunition factories to help their men folk, thereby leaving children carefree and often in danger of ontinue in session from day to day making ill-famed connections, it has, until the examination, correction and nevertheless, been necessary in many equalization of the assessment rolls cases to put youths and girls away in

While the boys find shelter in reformatory schools, where they are usually maintained until they reach the age of twenty-one or until such time as their conduct might induce their guardians to let them out as "cured," girls are put away in a huge alty, at Clermont, 80 miles from Paris. Here some 250 girls, most of them victims of childish temptation, are secluded from the rest of the world by an immense wall 90 feet high through which there is but one small aperture in which is placed a solld iron gate. The only sign of exterior life which tells these hapless girls of the joys beyond the walls is the rippling laughter of smaller children, boys and girls, playing along the country road on the way to or returning from school.

Girls Work Long. clothes or dishes. For every ten sew-

crammed into their nervous and fearful systems. After school and other work the better-behaved girls are allowed a few minutes' recreation followed soon after by a hurried "dinner"

consisting of soup and a fig. Speech between any of the "inmates" of the "prison" is forbidden. There are scores of young and wouldbe happy girls in the home who have not uttered a word for nearly twenty months. They are resigned to their unhappy lot and move around the establishment merely counting the days when they shall have reached the age when freedom of speech and action shall have been given back to them.

Three days a week they are given ment. That is their only luxury. They sleep in huge dormitories capable of containing twenty prisoners, each with- Wenzel jacket, so named after its bed, a jug of water, a comb and brush. employee. Wenzel is said to have won All through the long night the girls an international prize contest for subare watched over by a nun, while any mitting the most suitably designed subattempt to mutiny is quickly re- stitute for the dress suit hitherto pressed by the muscular arms of male attendants hurriedly summoned by the nuns. Twice a month they are given a douche of cold water. If well behaved they receive a certain number of good points at the end of the month, and a certain number of good marks often

He shot it with a revolver and discovered after killing it that it was a largesized wolf.

BUKHAREST IS NOW JOY CITY OF EUROPE

Joy, Laughter, Song, Wine and Dance Prevail in Rumanian Capital.

Bukharest is growing faster than any city in Europe. It is spreading out in all directions over the neighboring plains in an effort to house its pulation of a million, which is still owing. In 1918 the capital's popuation was only 888,000.

Bukharest is the joy city of Europe. Love and laughter, song and wine, dancing and card-playing are as dear to the Rumanian heart as to the gayest spirits in Bohemia.

The Rumanian eats five times a day, and is ready for another repast at midhight. He dislikes going to bed. He loves his wine-ing and his cards. And he would die without his rum-coffee and his gossip about the latest scandal

The Colle to onue, is studded with pretty women in the latest Parisian gowns and jowpatent-leather boots and blue and adorned the most.
Rumanian women, who admittedly

Rumanian women, who admittedly are the most attractive and fascinating in the Balkans, owe their striking beauty to their strain of gypty of Greek blood, their lansorous syes and their blood, their lansorous syes and their blood their complexions. They are buoyant and vivacious, romantic and pleasure loving.

The Rumanian men are tall, hand-some and dark but the Rumanian men are tall, hand-some and dark but the Rumanian men are tall,

some and dark, but are ficined to be effeminate. They wear form-fitting jackets and waistbands and affect monocles and spats. This, of course, does not apply to the pensantry, who are a sturdy, homely, energetic lot, and constitute the backbone of the country and its chief hope for the fre-

There are at present three newspe pers printed in French, which is the court and society language, but it probably will not be long before a daily paper published in English will be established.

Queen Marie, who is an accomplished writer, has published all her oks in English, and that is the language of the royal family, although both the king and queen command facile use of half a dozen other

WAITERS DOOM DRESS SUIT

Berlin Restaurant Employees to Sub stitute Wenzel Jacket.

Numbered are the days when the dress suit will make it difficult to distinguish a waiter from a dinner guest the fashionable eating places of Berlin. The familiar black "clawhammer" garb was doomed as a wafter's uniform by a decision of a recent international congress of hotel employees at Geneva, and the Berlin branch association has now voted to endorse this action.

In place of the frock coat, waiters here will wear what is known as the in a cagelike apparatus wherein is a creator, Paul Wenzel, a Dresden hotel

The new jacket greatly resembles the ordinary street coat in appearance. It will be single-breasted, of cheviot material, and black, dark blue, or dark gray in color. The material will be so treated that it will not wear shiny.
