NEHALEM

We informed that the new rock crusher which was recently purchased by Tillamook county has been installed and is now in operation at the Clatsop county rock quarry. Martin Ripley is visiting his sister, Mrs. Herbert Thompson and family near here. He has been in the U. S. Navy for the past six years and is enjoying his first furlough in that time. Mr. and Mrs. Sam Arbuckle and Mrs. Nettie Linsey of Portland are spending a few weeks vacation at Manzanita in one of the W. G. Smith cottages. Mr. Arbuckle has been sales manager for the Manning Automobile Company for several years. Mrs. Lindsey is the daughter of Mr. Snedaker who is well known in Tillamook county. Telephone service was installed this week from Nehalem office direct to Seaside. Heretofore it has been necessary for persons desiring this service to call through the Tillamook office and by way of Portland. C. H. Graves of Tillamook will soon begin the construction of a new school house at Rector which is to be ready for use this winter. Nehalem school district No. 39 is paying for the work and will furnish a teacher, while Brighton Mills company whose employees will be the patrons principally are donating the material. Steel for the track for the draw of the Todd bridge arrived the latter part of last week and has been placed in position on the pier. Little by little the material has arrived and the work drags slowly on. Meanwhile, whose ever the fault for the delay, the public anxiously await the day when the bridge will be ready for service, which will doubtless be some time next year.
