**MOVING PICTURE
CAMERAMAN HERE**

A representative of the Pathe Weekly, motion picture producers of Paris, with an army of operators in the United States, was in Tillamook

last Sunday, and attended the Elk picnic. It was rumored that he would take pictures of events connected with the picnic, but it is said he refused to do, as he lacked authority. The Pathe specializes in wrecks and really come under either head. The only disaster was to the sandwiches and eatables. But under the head of wrecks— some of the boys who were fined over there, had their pockets wrecked. The Pathe man left Sunday for Seattle on a hurry up call. So, we won't see the Elk picnic in the movies.
