OUR EDIFORIAL POLICY

 To advocate, aid and support any measures that will bring the most good to the most people.

2. To encourage industries to establish in Tillamook county.

3. To urge the improvement of a port for Tillamook City. 4. To insist on an American standard of labor.

5. To be politically independent, but to support the candidates for public office who will bring the most good to the people of Tillamook county and of the State of Oregon.

BRUSH FIRE SPREADS FROM SLASHING

A brush fire got away at the Henry Simmons place one day last week. and spread to other property at a point about 6 miles south of town, and is now close to the York mill, but Simmons and a force of men are hard at work trying to put it out, under direction of Fire warden McCowell. Should the fire get to the York sawmill, it is figured considerable loss would result, but the latest reports indicate that it will be stamped out before it gets much bigger. The Fire warden has revoked all permits for brush burning, as it is extremely hazardous at this time for fires of any sort in the woods or on ranches.

PERSONAL MENTION

Bert Robinson and wife were in the city this week from their ranch near Siletz, Lincoln county, visiting with old friends in this section. Bert formerly clerked for Conover brothers in their grocery store, and while here is doing some repair work on his old home, which has been rented since he left this city last spring.

Three large Steelheads or rainbow trout were lately added to the aquarium in the window of King & Crenshaw's hardware store. They were taken from Gold creek, and are last year's fish. They are quite an attraction to tourists and others who stop in town. The children are especially interested in watching the antics of the fish in the window pond, where about thirty coast trout of various sizes may be seen.

W. O. Davis moved his shoe repairing machinery from Portland to this city the latter part of last week, and will occupy a room just east of the grocery store of Conover & Conover. Mr. Davis lived in Tillamook forty years ago, when a small boy, with his parents, and is a cousin of Bert Thayer of the city police. While it took Mr. Davis forty years to return to Tillamook, they all come back sooner or later.

Miss Ada Lister and Oscar Dufstrom of Tacoma were married at the home of the bride's sister Mrs.Stanley Coates, Monday, September third. Archdeacon Black of the Episcopal church performed the wedding ceremony in the presence of the immediate relatives of the bride. Among the out of town guests were Mrs. Mary McLean of Hillsboro and Mr. W. H. Bell, father of the bride.

START

YOUR PURE BRED HERD

NOW

No matter how long, or how good a pure bred bull you use in your herd of grade or scrub cows, you will always have nothing better than a grade herd till you procure one or more purebred females.. .This sale is your opportunity to get a start.

GUERNSEYS

Are the generally acknowledged quality milk cow. They are not too large nor too small, and docile in disposition. More like our native stock than are other other breeds in this respect.
