DRIVERS MAY STUDY MOTOR VEHICLE LAW

Owing to the apparent ignorance of persons now driving motor vehicles on the public highways, and the danger they cause to the life and limb of pedestrians and other motorists the Headlight has decided to reprint the Oregon Motor Vehicle Law in its columns that automobile drivers who are not now familiar with these stat-

In answer to an enquiry regarding diet:

"Then probably you could use more milk to advantage. You mention only two ults one of whom is trying to gain weight. The children would do well to have a quart or nearly a quart each, and you should have a pint at least for yourself and from a pint and his assimulation) for your husband. Then with the increase of milk you can eas ity cut down your meat and egg bil. "A good rule to remember is that for ev-day diet the other protein foods, such as meat, eggs, fish, cheese, may be reduced by two ounces without any dietetic loss, milk is usually the least expensive and the most easily served and assimulated of all the protein foods."
