TILLAMOOK HELD SCORELESS

Outweighed fifteen pounds to the man Tillamook's high school eleven put up one of the hardest battles ever performed by any football team at Forest Grove last Friday.

Again it was a question of a heavy experienced team against a light inexperienced. Although F. G. H. S. won 31 to 0 it was no walk away for F. G.

Tillamook kicked-off to F. G. but Capt. Tippin got off a poor kick and a F. G. guard recovered it on the 50 yd. line. On the first play F. G. pulled a dead-man pass and the end on the side line took it over for a touchdown.

F. G. could not gain any yardage for the remainder of the half so it was mostly a punting duel with Tillamook having the edge of it.

BOOZE IN BOTTLES DOWNFALL OF BOZO

Bozo Prinschik is a good logger, and heretofore has worked at Camp Four. He has also been a successful still man and bootlegger, but it was a case of the pitcher going to the well one too often—he got nicked.

Last Sunday deputies Lucas and Chester Holden drove up to Camp Four to look for Bozo's distillery. But Sunday was moving day for Bozo, and he had part of his still in a sack, also some booze in a suit case, and he figured on taking the morning train, bound for Rector, a new camp up the road.

Bozo got on the train at Mohler

and he was feeling fine. The birds were gaily singing, and the sun was shining a better than a fifteen cent shine, and the world looked like it does back in his far away birthplace, Dalmatia, over in Eastern Europe.

As Bozo and his booze came aboard, he was met by John Aschim, who politely asked him to come into another car until he could examine his sack and suit case. He also exhibited a search warrant that filled the Dalmatian with concern.

In the suit-case was found plenty of liquor—enough to convict a dozen men. Before the train started up, the sheriff invited Bozo to get off. The latter took the suit case but left the sack. "Bring that too," said Aschim. The sack contained still parts.

Before Justice Stanley on blue Monday Bozo was charged with the manufacture and possession of liquor, and he plead guilty. He was fined \$500 and sentenced to 90 days in the county jail.

INDIAN WAR VETERANS MAY ORGANIZE HERE

How many Indian War veterans are there in Tillamook county? Minnie V. Stillwell is one, who are the others? In Portland is located Oregon Camp No. 1, and D. H. Jones, Commander, is anxious to know the names of those who took part in any of the Indian wars of Oregon.

minds of some comrades as to their eligibility to join the National War Veterans. Let us settle that point now:

"Active members are ex-American soldiers who served in the U. S. army, and participated in any campaign against Indians."

"The State Militia called out by the Governor on Indian service and who served on our great frontier, protecting settlers and immigration, and helping to maintain law and order as against Indian raids."

"Organizations known as "Minute Men," acting under a commander guarding and defending life and

property against Indians or guarding prisoners placed in their charge by troops in the field.

"Companies other than the above hurriedly called together by officers in behalf of the state to repel Indian raids, and to protect the lives of citizens and immigration, transportation and other property from Indians."

"This ought to settle the matter of eligibility for good and all."

Comrades in this county, who are interested, should write to Minnie V. Stillwell, Tillamook, Oregon, who will be glad to take up with them the matter of a county organization.
