T. H. S. IS DEFEATED 20-7 BY ASTORIA

In a loosely played football game last Saturday Astoria high defeated Tillamook 20 to 7. In the first half the game was all Astoria's. She scored all her points in that half.

T. H. S. won the toss and elected to kick. On the muddy field the ball only went 10 yards where an Astoria man fell on it. From the mid-field recovery Astoria went around Tillamook with sweeping end runs for the first touchdown. Try for point was successful. Again Tillamook kicked off and again the ball did not go over 20 yards. By the same method varied with passes Astoria made her second touchdown. Just before the end of the half the third touchdown was put over.

In mid-field Astoria made yardage at will, but three times the Tillamook line held on its own goal line like a stone wall and thus stopped a much higher score.

The second half opened with Astoria receiving and returned to mid-field. On the first down a Tillamook lineman tackled an Astoria back so hard that he knocked the runner completely out, causing him to fumble. Blum, end for Tillamook, smashing in scooped up the ball and raced 50 yards for a touchdown. There was a display of some beautiful interference on this run.

From thence on Tillamook seemed to hit her stride and repeatedly carried

ried the ball deep into Astoria's territory but could not put across another touchdown. For the first time this year the local team made yardage, consistently for one whole half. It looks like the team has a good chance with Newberg next Friday, if the same brand of ball is displayed then as was put up the last half at Astoria in the last period.

No injuries were sustained in last Saturday's game so with a good week of practice a hard fast game will be displayed next Friday. To date Tillamook has not won a game so with the last scheduled H. S. game of the season coming up, the team is ready to retrench itself from a shut out this season.

For Tillamook it would be hard to say who was the outstanding player as every man played real ball in the last half. All times from tackle to tackle the line held tight and Astoria could not gain thru it.

Tippin and Maxwell were the principal ground gainers for Tillamook.

The honor roll for the second month of the school term is as follows: Camille Haltom, Rose Loyd, Edith Norberg, Corinne Stranahan, Henry Berkeley, Joseph Heyd, Chas. Thomas, Lois Knight, Bernice Himes, Fern Brownlee, Agnes Arney, Carvus Artrip, Louis Himes, Mabel Anderson, Cordelia Oatfield, Margaret Ross, Beatrice Sheldon, Marion Lamb, Muriel Wiley, Octavia Ware, Catherine Smith, Helen Jordan, Veda Smith, Lunetta Pollock, Thelma Hoover, Rowena Hanson, Catherine Gabriel.

"Why Smith Left Home" is a sprightly comedy by Geo. Broadhurst. It has enjoyed signal success both in England and in America, and has been given successfully by many colleges and high schools. The plot is just complicated enough to hold the interest and to develop extremely humorous situations. The characters are rich types and are being cleverly interpreted by the cast. There are the bride, her spinster sister-in-law, the over-bearing aunt, the impulsive younger brother, his chorus girl wife, the usual maids, the cook-lady, the hero, Smith who tries to run his house

hold, the flirtatious Frenchman, the rich Count, and the bashful Major. The admission will be 50 and 35 cents. Remember the date! Watch for advertisements!

On Friday the high school students were delightfully entertained by a group of first grade beginners under the direction of their music instructor, Miss Church.

Work has begun on the operetta "The Smuggler" to be given by the grade school.

MAY HAVE ROAD SURVEY

(Continued from page 1)

is quite probable that the county court will order a survey of the above route, and that this county will have charge of the survey. Washington county paid for the survey of the Wilson river route last summer, so that it will be up to this county to make the next survey, when the counties will probably decide which route is the best and the most economical of construction.

One thing that augurs well for the choosing and improvement of a short or direct line of highway from Portland to Tillamook, is the great interest that is now being made manifest in both Washington and Tillamook counties for the completion of a short highway from Portland to the coast. The matter of a connection with the Roosevelt highway is a matter of

general public interest in the Willamette valley, and is also a matter in which all tourists from the east and elsewhere will feel deep concern.

The importance of a road that will connect Portland with Tillamook by the shortest number of miles, and at the same time divert tourist travel through Tillamook to a connection with the Roosevelt highway at this point, should be evident to every business man, not only in Tillamook City, but elsewhere in the county, and especially to the beach resorts. It is gratifying to know that our local clubs are awake to the above question, and are making of it the star program in their activities.

POSSESSING A MILLION "One minute essays on health by Dr. H. L. Babb"

Uncle Ben Says: "A woman's ambition Nevvy, is to look as good as she thinks she looks."

Possessing a million is fine But what is it to the invalid in a wheel chair? Dollars without health are of little joy. We may do very well, however, without wealth, provided we have the foundation of all wealth—health.

Chiropractic brings new hope to the world for it brings the promise of health to those who could not possess it by any other method. Many are wasting time now seeking health by other methods, who will eventually have to turn to chiropractic.

Chiropractic spinal adjustments as given by this office have restored health in a number of cases in the past few weeks. The sufferers have been made well of diseases of the eyes, ears, nose, throat, lungs, heart, stomach, liver, kidneys, bowels and lower organs.
