MRS. F. B. STRANAHAN IS REPORTED BETTER

Mrs. Frances Stranahan of this city, who has been very ill for some weeks past, is now, it is reported, gaining rapidly in health, and it is believed by relatives and friends that she will soon recover from her illness. Mrs. Stranahan's numerous friends in this city will be gratified to hear of her improved condition, and all will join in the hope that she may soon be able to resume her wonted social and business activities.

SOLDIER LODGE IS ONE OF BEST

A lodge of the Knights of Pythias at Fort Stevens, a government post on the headlands at the mouth of the Columbia river, has a lodge composed entirely of enlisted regular soldiers, and at present there are nine members who remain in the vicinity, many other members being scattered over the coast, the east, and in the Philippines. The lodge is said to be one of the best in the state in point of interest and work, and the soldier lodge is a great favorite with the rank and file of the order in this state, who feel proud of the far west Knights who wear the uniform of Uncle Sam.

From Exchanges

Tillamook lodge of Odd Fellows, has been invited to come here on Saturday December 1, to exemplify the first degree. A special amusement program will also be rendered and a banquet served. A fine fraternal spirit exists between the two lodges of that order. A large attendance is expected not only from Tillamook but from neighboring county lodges as well. Local Odd Fellows are looking forward to the coming of the Tillamookers with keen anticipation.—McMinnville News-reporter.

Mr. and Mrs. Robert Coleman of Tillamook, who were the guests of Mr. and Mrs. Floyd Ingram for several days, returned to their home Monday.—Silverton Appeal

A Ford car owned and driven at a high rate of speed by John Flakis, of Blaine, Oregon, came down the Highway, Saturday morning and when in front of the Mittie Cockerham place, in an attempt to go around James Russell, State Highway engineer, struck the Dodge roadster of Chas. Gilman, who was coming from the opposite direction. The front wheel of the Ford passed over the Dodge's fender, removing it and greatly damaging the top. It tore the wheel from the Ford and threw it on its side, in which position it skidded about fifty feet. The windshield was broken in to pieces less than six inches square. Mr. Flakis and his wife, who accompanied him were uninjured save for a cut on Mr. Flakis' face.

We understand that he blames James Russell for the accident. That Mr. Russell should have been going fast enough so that it would not have been necessary for him to turn out to go by him.—Willamina Times.

Mr. and Mrs. Jess Kennedy of Tillamook, were recent visitors at Sheridan and in McMinnville. They also

visited in Portland and Salem.—McMinnville News-Reporter.

IT WORKS TO RE-LEAVE HEALTH

"One minute essays on health by Dr. H. L. Babb"

Uncle Ben Says: "The was over several years ago, Navy, but the war tax is still with us."

Anything that makes health possible for greater numbers is a benefaction. Chiropractic has made health possible for those who were heretofore hopelessly invalids. Why? Because it is different and does things for the correction of bodily ailments which can not be done in any other way

Disease is an interference with the life impulses that travel the nerve lines. The chiropractor removes the obstruction and frees the nerves to deliver impulses of normal force and nerve.

Chiropractic spinal adjustments as given by this office have restored health in a number of cases in the past few weeks. The sufferers have been made well of diseases of the eyes, ears, nose, throat, lungs, heart, stomach liver, kidneys, bowels and lower organs.

HEALTH FOLLOWS CHIROPRACTIC CORRECTS PRESSURE ON SPINAL NERVES IN DISEASES OF THE FOLLOWING ORGANS:
