Tillamook County's Only Exclusive Mens Store Openly Defies

Competition From
Any Angle

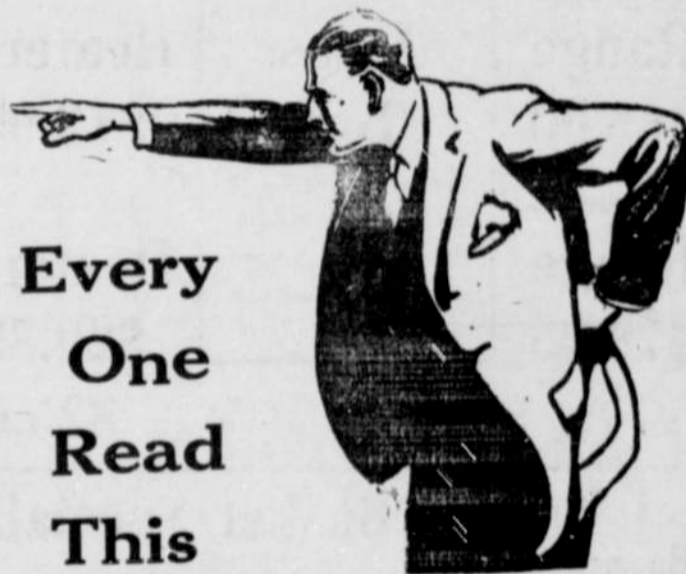

No store, mail order house and peddlers of men's wear—no exceptions—will not or can not give you the values extraordinary that we offer in this sensational sale. This store is one that is well-known for its high-quality goods of every kind for men who demand the best and, it must be remembered that its the only exclusive store for men in the county and is entitled to the big end of the men's clothing business. We want this business, we are going after it and consider that this sale will serve a two-fold purpose.

First—We want every man, and woman who buys for men, to know of our ability and intention to handle the best quality of suits, overcoats, shoes and other furnishings for men, young men and boys at all times and, to prove our sincerity in this endeavor, we are going to give genuine, substantial reductions on everything in the store, contract goods excepted, these low prices to be good only during the time of this sale.

Second—The presence of this beautiful California sunshine has been unusual and winter goods have not moved as they should, consequently we are overstocked and must unload. Wintery days have at last arrived and now you can get your suit, overcoat, underwear, socks, shirts and shoes for less

than you could a week ago.

This sale will save you many dollars, for every reduced price is genuine and on seasonable goods. We are offering you these reductions and savings just when you need the clothes the most, not when the season is nearly over and you know just as well as we do that it is an unusual opportunity for you. And besides, this sale offers many choice Christmas gifts for those who believe in giving practical ones. Just think what this will mean to the many Christmas shoppers. Truly, no opportunity could be more timely and we know that your good judgment is going to prompt you to take advantage of it. There is one thing that we cannot be too emphatic about and that is: Don't compare our goods with these that are made to sell at a price. Ours are goods that we have implicit faith in, those that we can guarantee to you and ones that we know will give you lasting service and satisfaction. We have always given the best and considering the quality of them, our prices regularly have been the very lowest and now in this sale we offer you bigger-better values. We repeat, don't pass this opportunity by, visit this sale early and get your share of the bargains to be found here.
