

WOODMEN GO TO DALLAS

Last Saturday night about twenty Woodmen of this city attended the lodge of that order in Dallas, and put on degree work at that place. An excellent time is reported, including a banquet for the visitors, speech making and fraternal fellowship. The Headlight made an effort to get all of the names, but was unsuccessful. It would be appreciated if some enterprising lodgeman would on occasions like this, hand in a list of the names of the visiting members. We want the news. Will you help us to get it? It will be appreciated.

The members of Alder Camp, No. 219, W. O. W., this city who last Saturday night attended Dallas camp No. 209, were: W. E. Stanley, Karl Wilhelm, B. G. Cowley, L. T. Todd, Fred M. Gould, C. Smith, Wm. Foster, F. L. Wowell, Chas. Wilhelm, Amand Lacasse, G. Josi, Cecil Wilhelm, Mr. Phelps, Mr. Lilly, Roy Renfrow, Archie E. Hall, Herald Lewis, Warren Vaughn, Jas. F. Conley.

The Salem and Dallas drill teams put on the work.

GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. Jacob Kumm of near Blaine, were asked to go to Tillamook last Tuesday for a ride with some friends, but when the auto stopped at the grange hall, the first intimation that the elderly couple had of the real nature of the surprise was when a large crowd entered the hall and begun to congratulate them on their golden wedding day anniversary. A table that groaned under its weight of good things to eat was set, and as a wedding march was played, the respected couple were given the place of honor at the head of the table near a big wedding cake in yellow icing, that resembled a gold cake. The principals were presented with a beautiful teakwood tray with Japanese pictures on it. Mr. Kumm was the recipient of a fine gold mounted pipe, and Mrs. Kumm was given a cameo pin set in gold. The hall was well filled with friends and neighbors of the worthy couple, and the occasion was greatly enjoyed by all.

\$500,000 NEW STAGE LINES

It is reported that a new stage line with a capitalization of \$500,000 is now in the field, with headquarters in Portland, and that it will soon begin to operate stages on all the present important lines in Oregon, leading out from Portland.

Among the lines upon which the new company will have busses are The Dalles, Astoria, Tillamook and Forest Grove. It is said that the most modern safety coaches will be operated. Should the new company parallel the old lines already in use, the public may look for some hot competition.
