

LOCAL COUNTY TEACHERS INSTITUTE

A local teachers institute was held at the Liberty school building in Tillamook City on Saturday, December 8, 1923, which was attended by seventy-two teachers of the county. A very good program was given. State Superintendent Churchill addressed the members in the morning on the subject of the "Course of Study." He also presented very fully the efficiency of the County Unit plan of administration and taxation for the support of schools. This plan of organization is readily gaining its way in the state. Lincoln county at the recent election adopted the measure making three counties in the State operating under the County Unit plan. It is proving very successful in the counting now operating under this law. At noon luncheon was served by the girls of the Domestic Science Department at the high school. In the afternoon at 1:30 o'clock the institute was addressed by Mr. Miller, secretary of the Oregon Bankers' Association. This address was very instructive and brought to the teach-

ers a great many points outside of the regular teaching profession. Superintendent Churchill addressed the high school teachers while the grade teachers and rural teachers met in around-table session to discuss retardation and the causes for the same. Also the subject of standard tests was discussed and results tabulated of a few tests which have been given in some of the schools on the county. Mrs. Kathleen Durham, principal of the Bay City school, then talked on the subject of "Relation of the Teacher and the Home." Superintendent Churchill again addressed the group of teachers after which they adjourned. The subject of retardation of children is one which is receiving a great deal of attention at the present time and it is one of vital importance to the children as well as the tax-payer. Superintendent Churchill is authority for the statement that in the State of Oregon the cost for each retarded child, that is a child who fails to make his grade and has to repeat his grade the following year is \$88. One would find about the same proposition as to costs of retardation in Tillamook

county. The teachers are indebted to Miss Church and the young women who assisted her in the musical part of the program. During the business session of the institute the following officers of Tillamook county teachers association were elected: President..... L. N. Bennett Vice-President, Mrs. Flora Severence Secretary..... Leland Bester Treasurer..... Helen Church Delegates to the Oregon State Teachers Association: Mrs. Kathleen Durham, L. W. Turnbull, J. B. Hatch.

HIGH SCHOOL NOTES

J. A. Churchill, State Superintendent of public instruction, was in Tillamook Saturday to attend an institute of the teachers of Tillamook county. The D. S. class, under the supervision of Miss McDonald, served a delightful lunch to those present. Supt. Churchill says that Tillamook has one of the best grade school buildings in the state, if not the best. Each class has selected a team for basketball and are now having practices. This week the inter-class games will be held. Andrew Miller, secretary of the

Oregon Bankers' Association, gave a talk on banking at the high school Tuesday. Do not forget the Senior play, "Why Smith Left Home," which will be given Friday evening, December 14th, in the high school gymnasium at 8:15 sharp! Bring along some change, for the Junior class will have a candy sale there.

GEN. GEO. A. WHITE HAD A LUCKY DAY

While over here last Sunday, Gen. George A. White, Capt. J. E. Shearer, Carl and Henry Leach, John Pohl and Glenn Terry went duck hunting on the bay. Gen. White dropped seventeen ducks with the same number of shots, which was considered pretty good shooting. The rest of the party scored well on the duck tribe, and altogether a fine bag was secured.

Later Gen. White and Capt. Shearer fished the Wilson and Kilehis rivers, and had good luck on the latter stream, the General keeping up his reputation of the forenoon, landed a big sixteen pound silverside with a small trout rod and tackle, and had the time of his life during the fight put up by the gamey sea trout. The General displayed fine form in manouvering the big fish, and took it home with him Sunday evening, where no doubt it graced the dinner table the next day.
