Many people do not appear to know that when a court case becomes of record on court books, that it is perfectly proper for a newspaper to publish it as an item of news. Any one is privileged to read it upon demand upon the court records, and the newspaper is committing no irregularity in publishing it. If it is allowable to discuss court cases upon the street, why hasn't a newspaper a right to publish it? The subscribers pay for the news, and it is the business of the newspaper to furnish that news to its readers.

Tillamook is full of strangers. Now and then some one comes over the "brush," as they facetiously call it, to pull some crooked stunt, but usually they run a-foul of our county and city officers, and get nipped before they realize that their game is known. Over here the county and city officers cooperate, and they get good results.

The winter time gives the farmer and dairyman a chance to get rid of some of the stumps that loom in Tillamook pastures and fields. It pays to get rid of them. It gives the

farm a better appearance, adds more room for grass, and makes the farm more valuable.

COW TESTING AAS'N HOLDS DANCE

The dance at the Fairview grange hall last Saturday night brought out the largest crowd ever gathered at a dance in the grange hall. There were one hundred and fifteen cash admissions, and the gay disciples of Terphiscore danced everything on the list from the Virginia reel to the Highland fling; from the Switzer waltz to the Spanish fandango, and then some. Joe Blazer's accordion orchestra furnished the music, and the bearings on the accordions got so hot that they had to be temporarily immersed in a can of milk. "Some dance," the boys report, and one of the most enjoyable occasions had for a long time.

Some of the old dairymen who hadn't danced for years, pranced around like a young heifer with her first calf. To make a short story long, the boys got enough money to cover the expense of making bound reports to the government for next year, without having to levy an assessment, and they had a good time to boot. Several couples attended from Tillamook, who are loud in praise of the dance, the music, and the other social features.

FINED FOR UNLAWFUL POSSESSION

Frank S. Gallagher of Garibaldi was picked up at that place last Saturday night by the Sheriff's force and brought to this city, where he was charged with unlawful possession of whiskey. Before Justice Stanley last Monday, he pleaded guilty to the charge, and was fined \$50 and the costs. Failing to disgorge the amount he will aid the road squad for a time.
