

**NEW FEED RATES
IN EFFECT MONDAY**

The new hay rates went into effect the 21st inst. Immediately the hay prices on alfalfa hay were reduced by the association to \$20 out of the warehouse and \$19 off cars, with carloads at \$18.50 the ton. Oats and vetch prices have been reduced to \$20 as have those on oats and clover hay. Alfalfa and clover have been reduced to \$22 a ton. All feed prices remain the same. The association has a large quantity of fine grey Willamette valley oats, and is grinding this with corn and barley, making a most excellent dairy feed for the cows.

The checks will be out about the first of the month or shortly thereafter. November cheese has now been shipped and practically all of it has been sold. The storage stock is down to 899 boxes triplets in San Francisco, and 2330 boxes triplets

and 839 boxes loaf in Los Angeles. Most of this is September and October cheese. Production now is down to about 775 cases a week, and there will not be much increase until the first of March. This should enable all the cheese to be sold up before new cheese comes on the market in large quantities.

Various factories are now having their annual meetings, and a meeting or two is going on almost every day, with six to be held on the 2nd of February. The annual association meeting will be held on the third Wednesday in February.

**ENTERTAINMENT FUND
IS BEING PROVIDED**

The Elks held a turkey shoot at the Fair grounds last Sunday. Quite a crowd was present, and a big crate full of turkeys were shot for. In one frame of shooting three shots won a turkey, but the boys had lots of fun. The Elks are working for a fund to entertain the Elks conven-

tion that will occur in this city this summer. They are also planning to beautify the city for the occasion, and naturally want the town to look as pretty as possible when the Bills and their wives invade Tillamook with their purple banners and hilarity.

ANOTHER HAT IN THE RING

County Clerk Brimhall authorized the Headlight to announce that he would say his Fedoras into the ring as a candidate for renomination in the coming primaries for the office of county clerk. And still they come.

Be it resolved: Whereas God in His infinite wisdom has seen fit to remove from our midst Mrs. Frances B. Stranahan our ex-president and co-worker; We the members of the Tillamook Parent Teachers association, do hereby extend to the family our heartfelt sympathy.

Be it further resolved that a copy of these resolutions be extended to the family and spread upon the minutes of the association, also that a copy be sent to each of county papers.

Signed:

MRS. R. LEONARD
MRS. A. PLANK
MR. M. E. JOHNSON

ROOMS AT ARMORY ALTERED

Workmen started this week, under the direction of the local American Legion post, to lay a concrete floor in some of the basement rooms in the new state armory for kitchen and dining room purposes. The expense of this work will be borne by the Legion post and the members of Company K. It had been found necessary to leave certain finishing touches out of the specifications when the armory contract was let in order to cut down on expenses. The surface flooring for the main drill hall was laid this week.

TOO LATE TO CLASSIFY

FOR SALE—HOUSE AND LOT ON corner of Third street and 5th avenue West. Barrick and Hall Attorneys. 16-

C. Larson, of the local firm of Larson & Hechtner, is away from the city this week on account of the illness of relatives.

**FRAND HEYD, BUILDER,
DIED HERE WEDNESDAY**

Frank Heyd died at the family residence in this city Wednesday morning at 8 o'clock, a. m. after several months of illness. The end was not unexpected, but nevertheless his passing has occasioned genuine sorrow among old time friends, and in the county business world, where he was well known. Deceased was born April 26, 1877, and is survived by a widow, and other relatives. His obituary will be published later. Deceased was at the time of his death a member of the firm of Merrick, Chaffee & Heyd, contractors, but for some time previous to his death, had not been an active member, owing to his illness. The sympathy of the community goes out to the survivors. His funeral will be held at the Masonic hall today at 2 p. m. Deceased was a Mason, and that order will officiate at his funeral.

**HIGH SCHOOL WINS
OVER CLOVERDALE**

In a fast, one-sided game last Friday the local H. S. team defeated Cloverdale H. S. 41-17. Superior team work and accurate basket shooting were responsible for the large score. The game was the first one T. H. S. has played against a high school team this season. A large number of substitutes was used by T. H. S., and consequently Cloverdale raised her score.

The combination with Foland, center, Mathews and Tippin, forwards, and Thomas and Abplanalp, guards, seemed to be the best scoring aggregation. Tippin was high point man with fourteen points to his credit while Abplanalp came a close second with thirteen points. Jensen from C. H. S. played good ball.

Line-up:
T. H. S. C. H. S.
Pye Center Jensen
Tippin R. Fwd. L. Stott
Foland L. Fwd. R. Gilbert
Thomas R. Guard L. Riser
Abplanalp L. Guard R. Ray
Mathews, Himes, Blum, L. Johnson, Subs.

In typing tests for January three of the Typing I students won Remington twenty-five word certificates.

Catherine Smith made a net average of thirty-five words; Pebble Wells, thirty; and Elsie Beatty, twenty-six. So far as we know, these are the first initial certificates won in this school during the first semester's work.

There are usually a number of boys and girls who wish to earn part of their expenses in high school who come to the office for assistance in securing such work. People who wish help of this nature will confer a favor by reporting their needs to the Supt. of schools, phone 150. The new semester begins January 28.

A large amount of enthusiasm was shown in the student body elections last Friday. Those elected were:

President, Archie Pye; vice president, Florence Stranahan; general manager, Arline Heyd; secretary, Velma Daniels; editors, Veda Smith, Beatrice Sheldon; yell leader, Irma Austin; sgt.-at-arms, Charles Thomas.

Mr. Readon, who was once the editor of the O. A. C. Beaver, talked to the high school last Monday, January 14, about the annual.

The solo dances between acts by little Miss Helen Leonard promises to be a delightful attraction of the evening's entertainment.

She has been studying for several months under the supervision of the master, M. Petroff, who was brought to America Pavlova.

AT THE CHURCHES

METHODIST CHURCH

We are pleased to announce that last Sunday we reached the highest mark in attendance that was ever known in the history of the Sunday school. The Sunday school is graded in order to take care of all who come. We solicit the presence of all who would like to attend and have their children trained in the teaching of God's word. Every Sunday morning at 10:00 o'clock is the time.

Morning worship at 11:00. Sermon by the pastor, "The Christian Task." This will be of interest to all Christians.

Epworth League at 6:30 in the evening. All young people are invited to this meeting as it is strictly a young peoples meeting.

Evening service at 7:30. Subject, "The Lord's Song in a Strange Land." Prayer meeting Wednesday evening at 7:30. Read the 7th chapter of the Gospel by Matthew. Choir meeting every Thursday

evening at 7:30. E. B. Faxon director.

FIRST CHRISTIAN CHURCH

Men's class, city hall, 10 a. m. Ladies quartet will sing. George Harness will teach the lesson.

Bible school 10 a. m. Morning worship 11 a. m. Evening services 7:30 p. m. Christian Endeavor 6:30 p. m. Special music both morning and evening.

Public invited.

LUTHERIAN SERVICE

Lutherian service will be held in the Adventist church next Sunday morning January 27 at 11 o'clock. Sunday school at 10. Come and hear the message of the crucified Savior. Rev. W. F. Georg of Portland will be in charge of the service.

ARMORY NEARLY DONE

(Continued from page 1)

from 400 to 500 people.

The Legion room will contain a big fire place, with a 9 foot face, and capable of receiving a four foot log, and will be finished in pressed brick. The officers' room will have a cloak closet, and will be used as a school room for non-commissioned officers.

The basement will contain a club room, kitchen, banquet room, in-door rifle range, women's rest room, shower bath, rifle cleaning room, furnace and wood room. There is also a 500 gallon heating tank in the basement which will furnish hot water for bathing purposes.

The balcony rising above the ground floor, extends along the east and west and south sides of the building, and exit is by two stairways at the north and south ends. On the main floor exit is by two large double doors on the east side and one such door on the west side of the main floor, also one extending down into the basement.

On the main floor is the Legion room, company's officer's room, main lobby, company room, quartermaster's room, main drill hall, stage, and closets.

It was stipulated in the contract that all finish lumber was to be of what is known as mill run, but the contractors are putting in all interior finish with a better class of lum-

ber, and besides are oiling one side of the material to prevent moisture, at their own expense, which is a fact that state, county and city authorities appreciate.

The work is going ahead under the contractors at a satisfactory rate, who are seeking to have the building completed at the earliest possible opportunity.

CITY COUNCIL MEETING

(Continued from page 1)

Mr. Haberlach said the city was not in financial condition to appropriate the amount, and there the matter rested. It is understood that about \$500 is needed to gravel the road.

The new parking ordinance came up, and after some discussion, the matter was deferred to the next meeting night, pending some changes in the document.

Attorney Hall stated that one of the real menaces to beautifying the city was the menace of dogs that roam the city in packs by night. In several cases they have pulled up bulbs planted in front of residences, and otherwise prevented public adornment along the streets. Mr. Hall stated that about 75 per cent of these canines are untagged, and that their owners have not provided licenses and collars. "According to the state law," stated the city attorney, "all unlicensed animals may be taken and shot." He also stated that upon a petition of twenty householders the question of "shall dogs be allowed to run at large or not," can be placed on the ballot, and that a majority vote would result in their being kept up.

He spoke of school children being attacked within the city limits by vicious dogs, and dramatically wound up by saying: "And at night they raise hell!" His statement was not disputed by any one present.

"The Elks want to beautify the town for the coming big Elk convention," said Mr. Hall, "and how are they to do it, if great packs of curs are to roam the town at night tearing up flowers, and scratching up lawns, and the like?"

The Recorder was instructed to notify the Elkhorn pool hall proprietor, and the restaurant adjoining, to comply with certain recommendations made by the city health officer, in the interests of sanitation.

BIG USED CAR SALE

The first of its kind ever held in Tillamook County. Now is the time to get a used car and have it ready for the summer use. For ten days only, beginning January 26 we will offer for sale some exceptionally good bargains in used cars
