

CITY POLICE COURT MADE ASSESSMENTS

U. E. Willis was arrested last Monday and arraigned before Recorder White charged with being intoxicated. He was fined \$75, this being his second offense in that line.

Ralph Chilcott was arrested on charges of driving an automobile while intoxicated, and possession of liquor. He was taken in custody last Monday, and was fined \$100.

Both of the above fines were paid by the men arrested.

LEGION AUXILIARY GETS CONCESSION

The women of the Auxiliary are working hard to help out the new armory home by serving lunch at the armory when refreshments are indicated at any of the public entertainments or dances. In view of their wish to be practically useful to the Legion, they have been given the refreshment concession for the year. Among things they hope to do, is to furnish the club room, and kitchen. To the purpose of their serving lunches, they have just had installed in the kitchen a fine, new electric range, which gives promise of some mighty good eats, as the women of auxiliary are all good cooks.

JOINT ROAD MEETING HAS BEEN POSTPONED

A joint meeting of the Washington, Tillamook and Portland committees appointed to meet with the highway commission and the Portland chamber of commerce was to have convened in the above city last Tuesday, but owing to the inability of certain committeemen to be present on the date chosen, the meeting was postponed to another date. The meeting was in the interests of a shorter road from Portland to Tillamook.

STATE CLUB LEADER HERE NEXT WEEK

Miss Helen Cowgill, assistant club leader, will be in the county from February 11th to the 16th, where she will meet with the several sewing, cooking and homemaking clubs of the county. Miss Cowgill has been here before, and her work has been much raised following former visits. It is believed that the clubs above mentioned will receive added impetus along the lines of their work due to Miss Cowgill's presence and helpfulness.

HIPPED FOWLS TO HONOLULU

John Hofman recently shipped five pairs of fowls, consisting of geese, ducks and chickens to a firm in Honolulu, Hawaiian Islands, by express. The fowls comprised a selected lot of fancy poultry for breeding purposes. Many of the Sandwich Islanders of today have cut out fish and developed an appetite for chickens and the like. Hence, the sending of fowls to the islands and the descendants of the people who clubbed Capt. Cook the children.

COUNTYS ROAD PLANS

(Continued from page 1)

ticed in the Jetty creek road. The state highway commission and the Southern Pacific company are still conferring on this project; and there it stands.

Very little work will be done on the Garioside road with the exception of maintenance to keep the road in passable condition.

The Mohler to Clatsop county road is now all completed and has now been turned over to the state for maintenance, so that the county is relieved from all cost on this project. The Hebo to Neskowin road has also been completed and turned over to the state highway commission.

The county court will insist on a survey of the Trask river route, it was announced yesterday, when construction is given to a shorter road to the Willamette valley. The Willson route has already been partly surveyed and it is to be determined which of the two proposed routes will be the most feasible. Strong pressure is being brought to bear on the county authorities to get something started on a shorter way to Portland and other valley points.

SEEN ON THE STREETS

Mr. and Mrs. Newton Anderson and Mrs. O. A. Eastman and Mrs. E. M. Bales drove to Portland last of the week. Mr. and Mrs. Anderson continued on to Astoria where they attended the laundrymen's convention. Mrs. Eastman and Mrs. Bales remained in Portland to attend to business. They returned Tuesday evening. While in Portland they attended the Schumann-Heink concert.

Miss B. Miller and Miss B. Cattrell of Muscatine, Iowa, were over here a couple of days this week, taking in the beaches, and seeing the mighty billows of the great Pacific roll in. They were accompanied by relatives from Sheridan.

Silver Wave Chapter, Order of the Eastern Star, will give a Valentine card party at the Masonic hall Thursday evening, February 14th, at eight o'clock. Every body invited. Five Hundred—Music—Refreshments. Admission fifty cents.—Adv. 17-2t

NEW POSTOFFICE WANTED

A petition has been filed by Rosenberg brothers proprietors of Ocean-side beach resort with Congressman Hawley for the establishment of a post-office at that place this year, to be operated for a period of about four months each year. It is said that about twenty families would be served by such an office during the entire year, while in the summer time the office would serve hundreds of patrons.
