The lower cost of clearing land with Pacific Stumping is shown by the increase in the number of ranchers in this neighborhood who are using it today. It shoots, stick for stick, with any standard stumping powder, but you get one-half more sticks for your dollar. Pacific Stumping does the job right—more land cleared at less expense. And Pacific Stumping does not freeze or give a headache from headling. We can give you complete explosives service. Our stocks include Pacific Stumping and other du Pont dynamites for use on the farm. Let us figure on your requirements.
