GAME COMMISSION TO BUILD HATCHERY

The State game commission has no hatchery of its own in this county. It is understood that this commission will bring trout from the hatchery at Necanicum, when large enough, for distribution in the streams of this county, this summer, or, at least until a hatchery can be built in this county, where trout eggs can be handled. This however, is not official, although a member of the board last fall was heard to say that it was probable that the game commission would build a hatchery in Tillamook county in 1924. It is believed by many persons interested in the work of the game commission, that either Wilson river or the Nestucca will be chosen for the site of the new hatchery. Both are good for the purpose, and are streams in which should afford small fish a having lateral small streams flowing in which should, afford small fish a chance to grow and mature, and at the same time be safe from the cannibalism of other predator species in the larger streams. It is believed that just as soon as a suitable site can be selected, that the work of buying a location and of erecting proper buildings, ponds, dams, etc. will be proceeded with. The heavy raids made upon game fish each year is causing the commission to enlarge its scope of work, in order to keep pace with the demands made upon the present supply. Fishing is no longer the easy pastime it used to be, for the reason that the game-hog, and the tourist and others, have worked overtime in depleting the rivers of game fish.

Miss Helen Case visited her parents Mr. and Mrs. A. K. Case over the week end. Miss Case is employed in the internal revenue department at the custom house in Portland.

EPISCOPAL BISHOP TO VISIT TILLAMOOK

The date of Archdeacon J. C. Black's next visit to Tillamook has been changed to March 16, when Bishop W. T. Sumner, of the Episcopal church of Oregon, will make his second visit to this city. There will be a class for confirmation and Bishop Sumner will be the celebrant at the early holy communion service, and will preach at the morning and evening services. As the bishop is quite an interesting speaker, a large number of persons heard him speak when he paid his first visit to the city and no doubt, a much larger gathering of citizens will be glad to hear him again on Sunday, March 16. Bishop Sumner is a broad minded churchman, the kind that the average citizens appreciate and take pleasure in hearing speak.

IN REALM OF SOCIETY

MERRYMAKER'S DANCE

The Merry-makers club will give a dance at the new armory Saturday, March 1. The affair will be in the nature of a Leap Year dance. Wilkins orchestra will provide the music.

The members of the Philathea class of the Christian church with their

teacher, Jas. S. Goin, entertained about thirty-five of their friends last Friday night in the Endeavor room.

There were games and music in which all heartily joined. About 11:00 o'clock the greatest feature of the evening took place when the bell called them in the basement to a table groaning with good things to eat.

The refreshments consisted of sandwiches, cake, coffee and chocolate.

The room was beautifully decorated in terms, ivy and little red hatchets in honor of Washington's birthday.

Everyone who could prove their honesty and truthfulness during the evening were entitled to a hatchet but we are sorry to report that some had to forfeit them before the evening was over.

Much credit is due the chairman of the entertainment committee, Miss Reta Evans, for the able manner in which she conducted the games. Everyone seemed to enjoy themselves and were hoping these parties would occur oftener.

The Wabbeegwanne club met on Monday evening February 25, at the home of Mrs. Harry Thomas, with Mrs. John Burkhardt assisting. Plans for furnishing a room at Pythian home were discussed. Fourteen members answered roll call as follows: Alderman, Berkey, Burkhardt, Christensen, Coe, Ford, Hanslmair, Keesee, Larson, Oathout, Rusk, Smith, Thomas, and Winslow. Two visitors were present, Mrs. Orpha Eastman and Miss Marian Larson. A dainty luncheon was served. The club adjourned to meet with Mrs. Guy Ford and Mrs. George Larson on its next meeting.
