WAR MEMORIAL AT O. A. C.

Memorial building is to be erected on the Oregon Agricultural college campus at a cost of \$400,000. The students have already contributed about \$60,000, and the alumni and ex-students have now joined forces with the students to raise the remainder of the required funds.

The building will be beautifully located on the college campus and will be the home of all student and alumni activities. It will fill a long felt want on the college campus. College funds have never been adequate to meet the demands for buildings for recitations and laboratory work.
