A DUTY AND PRIVILEGE

Today the voters of Oregon will go to the polls and cast their ballots for the candidates for nominees to various important public offices.

The primary election may be considered extremely important for it usually decides the final results, even before the general election which follows. Therefore it behooves all registered voters, and every person of voting age and ability should register, and put in a ballot for his favorites for public office.

One should realize the seriousness of his vote when he goes into the voting booth, and spend some time in serious thinking prior to marking the ballot. Sympathy, sentimentalism, or undue political pressure should not be allowed to interfere with what he feels is right and just.

Now, as at any other time, honesty and efficiency in office is what is looked for in candidates and nothing else should be considered in marking a ballot.

Now you can dump all that collection of candidates cards out of your pockets; the season is over for awhile.

T. H. S. NOTES

(By High School Reporter)
Friday, Mr. Fred Kennedy sang before the assembly, "Open the Gates of the Temple" and "Invictus." He was accompanied by Miss Esther Munson. As an encore Mr. Kennedy sang "Mother Machree." These songs were very much enjoyed by everyone.
The Senior class put on a very clever stunt before the assembly Friday. Eugene Hamrick read the class statistics which were enlightening to say the least. These statistics were supplemented by some clever remarks from Josephine Maxwell. Victor Mathews then presented each classmate with an appropriate gift and a poem on said classmate. Some of the gifts were terribly appropriate and rather embarrassing. Prof. Bennett received the most lasting gift, an all-day-sucker.

The high school pageant which depicts the history of Tillamook county will be given May 16 at 10 A. M. on the Liberty school grounds. The May Queen, Libby Tucker was elected by the student body. Other important characters are: Noah Richards, who will be Captain Gray; Kenneth Elliot will be Chief Kilches; Asberry Minor

who will be Joe Champion; Corinne Baker, the spirit of many waters and Nadine Williams, the Sun. The maids of honor to the queen are Wanda Halton and Inez Hamrick. The queen's attendants are Helen Kiem, Lula Thurman, Irma Austin, Lavelle Baker, Catherine Smith, Pebble Wells Edna Wright Ruth Mathews and Nellie Gupton. Various other characters will be Indians, settlers and sailors. Eighteen boys from the high school will do a Woodsman's drill.
