**LEGION CIRCUS**  
 What is said to be the biggest show that has ever been given in Tillamook will be staged at the Armory for three days starting yesterday by Tillamook Post No. 47 of the American Legion.

Tillamook has a very fine army but it needs the finishing touches to make it one of the finest in the state and it is with this end in view that the American Legion Post is staging their big circus. All the moneys derived from the circus will be utilized in completing the decorations on the outside and inside of the Armory.

In order to insure the success of this venture the Legion has secured the services of C. J. Kelley, of a Portland amusement company to produce and manage their circus. Mr. Kelley has had considerable experience in this line, having successfully staged affairs of this sort in the principal cities throughout the northwest.

The show, which is said to be one of the largest and best that has ever visited Tillamook, consists of eight big circus acts, including several acts from the D. O. O. K. circus of Portland. Sensational aerial acts, tumbling clowns, native Hawaiians, dancing girls, jazz singers and novelty musical acts are some of the features of the big show. "Days of '49" carnival, dancing and side shows are also included in the entertainment.

A queen's contest is being prepared and every woman or girl resident of Tillamook county is eligible as a contestant. A diamond ring, which will be on display at Bennett's jewelry store, will be given to the one securing the largest amount of votes for queen. Door prizes are to be given away each night consisting of valuable merchandise donated by the merchants of Tillamook. A brand new automobile is also included as one of the door prizes. Tonight election returns will be read from the stage of the Armory.

**HIGH SCHOOL NOTES**  
 (By High School Reporter)  
 The following student body officers have been elected for next semester: President Asberry Minor; Vice-president, Charles Thomas; secretary, Catherine Smith; general manager, Kenneth Mahan; annual editor, Inez

Hamrick; annual manager, Marion Lamb; H. S. editors, Octavia Ware and Marie Messersmith; yell leader, Warren Dunn; sergeant-at-arms, John Gienger.

A student body picnic was held up the Kilches river last Saturday. Prof. Bennett and Mr. Turnbull chaperoned the small gathering. Joe Maxwell, Inez Hamrick, Velma Daniels, Irma Austin, Verner Abplanalp, Veda Smith and Archie Pye constituted a committee which looked after entertainment, eats and transportation.

The members of the senior class received their personal cards Wednesday morning. These cards had been ordered some time before from a firm in California. When at last they arrived the young men and women were very much excited. First period classes were delayed while they ran madly up and down the aisle by the window collecting cards and hoarsely whispering "Gimme your card and you can have mine."

The Philakalon society held their last regular meeting for this semester at the home of Beatrice Sheldon. After playing Mah Jong, singing and eating, the bunch went serenading their dear ex-teacher. They were cruelly disappointed to hear her snore peacefully all through their songs.

The Philakalon society held their picnic at Neah-Kah-Nie the last Saturday in this month.

**MRS. PETRI HEARD IN LECTURE RECITAL**

Members of the Monday Musical club and their husbands enjoyed an unusual musical treat Monday evening when Mrs. Paul Petri, state president of the musical association, gave a lecture recital at the home of Mrs. E. E. Koch.

Before playing a number Mrs. Petri gave an explanation of it, not, as she said to the musicians but to the music lover, which enhanced the enjoyment by the audience greatly. Her description and rendition of MacDowell's "To a Water Lily" was particularly pleasing. Much laughter

**ELECT WINSLOW**  
 State Representative

Winslow favors the continuance of the workman's compensation act. His opponent opposes this act and has rejected the provisions of the act for the Whitney Company, and not one laborer for the Whitney Company is allowed the benefit thereof.  
 Winslow has been a Bona Fide tax payer and resident of this county for the past eleven years and a resident of the State all his life. His opponent paid no taxes to Tillamook County for the year 1923. The Whitney Company paid them. Winslow's interest is here in Tillamook County. His opponent's interests is to serve the residents of the State of Michigan.  
 Winslow's opponent has always fought the interests of the farmers. Ask any farmer on the lower Kilchis about this. Do you want a lawyer to represent you whose interests are all in Tillamook County, or a hired man of a Michigan Corporation who paid no taxes to Tillamook County for the year 1923.

**READ WINSLOW'S INDORSEMENT**  
 We urge the voters of Tillamook county to elect Geo. P. Winslow for Tillamook County's Representative in the next Legislature.  
 We believe that Geo. P. Winslow is the best qualified candidate for the office and if elected will serve all the industries of Tillamook county faithful and impartially.
