Such popularity must be deserved

TO BE singled out for public honor, a man must have proved his quality. And to be chosen by millions, even a cigarette must have "made good."

So Chesterfield's swift rise to popularity is more than a measure of success. It is proof positive of finer tobaccos — which means better taste.

And better taste is the sole reason for Chesterfield's huge sales.

Chesterfield
CIGARETTES
They Satisfy—millions!
