15 BAGS OF MAIL GO BY AIR ROUTE

San Francisco, July 3.—Without ceremonies the "pony express of the clouds" was inaugurated July 1 when Pilot Claire K. Vance promptly at 6 a. m., took off in his De Havilland air mail plane in the first flight of the transcontinental air mail service. The 15 pouches of mail carried by Vance's plane represented a full load.

LIBRARY NOTES

During the past weeks, the library has received many gifts of fiction which are greatly appreciated as the book fund is exhausted and the interest in new reading continues and could not have been met otherwise. Oregon Business published by Oregon State Chamber of Commerce has been placed on reading table by publishers. The magazines for 1925 will be selected soon and any suggestions from readers will be appreciated; also, any suggestions for new books as rental funds are used for these new additions, and the books most in demand are ordered first.

TWILIGHT BASEBALL STILL ENJOYED

Q. Tuesday evening Twilight league games were resumed after a rest over the period of the Fourth. The Tillamook garage team won a one sided melée from the Cheesemakers by a score of 17 to 3. The garage men started off with 4 runs in the first inning and then from the second to the end of the game slammed the pellet at will. Donovan and Swett worked as the battery for the winners while Fogge, Peters and Bunn did the heaving and receiving for the losers.

TILLAMOOK LADIES NEAR END OF TRIP

A. C. Everson has received word daily from Mrs. and Miss Everson, and Miss Belle Wilson, who started for Chicago via automobile leaving Tillamook on June 10. From Salt Lake city they went to Rock Springs, Wyoming, arriving there on June 20. The next day they travelled 175 miles to Medicine Bow. In this region the temperature was rather low for camping out at night owing to the extremely high altitude. The drive to Cheyenne the next day was over good roads and afforded them wonderful scenery. Last Wednesday they made a record run of the trip when they drove 200 miles to Gottenburg Nebraska. Here the ladies experienced their only tire trouble when one wheel picked up a small staple, which was soon repaired. This had occurred after 1850 miles of steady driving. The next day found them in Kearney, Nebraska where friends and relatives were visited. From there the drive to Grand Island was made the next day.
