CHINK SEASON TO OPEN FOR TWO DAYS

The following communication was received from the Oregon state game commission recently, by Eugene Cros- by, president of the Tillamook county game protective associa- tion: I beg to inform you that upon re- commendation of the state game war- den the game commission issued an order providing for a two-day open season of Chinese pheasant, the dates to be the 12 and 13 of October and the bag limit to be two male birds in one day. This will give the Tillamook county sportsmen a taste of pheasant hunt- ing without endangering the breeding stock it is essentially necessary to protect at the time just when the birds are getting a good start in your locality. Yours very truly, A. E. BURGHUFF, State game warden.
