there was a good deal of rain in that section of the country over which the party travelled, but in northern Wisconsin the corn crop was practically ruined on account of the severe late frosts. Mr. Heusser has a splendid coat of tan taken on while fishing on the lakes in the northern state. Cool weather was experienced throughout the trip.

Red Crown Sir from the Red, White and Blue Pump! Much of the strongest praise that "Red Crown" gets comes from the 6000 dealers who sell it and know what it will do. Their faith is backed by the performance which makes "Red Crown" the most popular "gas" in the West. To save carburetor adjustments, and to improve your car's performance on the hills and the long steady pulls, for power and mileage and true economy, use "Red Crown." You'll always be glad if you do. And remember—Take along one or two Standard Oil Scrip Books—two yards of this scrip will take you about 1800 miles. Obtainable in \$5, \$10 and \$20 denominations at all Standard Oil Service Stations.
